

PORTLAND LETTER.

Great Growth in State Population Predicted for Next Decade -- Baker Adopts Commission Plan.

Portland, Ore., Dec. 27, 1910. (Special) That Oregon will have a population of 1,200,000 when the next census rolls round is the prediction of R. B. Miller, traffic manager of the Harriman lines in the Northwest. He bases his figures on the constant western trend of populations as disclosed by former census statistics.

He estimates that the United States will have a population of 113,000,000. This additional population, he believes, will pour westward to find an outlet in the vacant agricultural lands of the Coast states. Nowhere is there a greater area of unclaimed land than in Oregon and the migration will cover this area as it seeks new territory to occupy.

The Siuslaw River is due for further improvement and army engineers are preparing plans for a north jetty at the mouth of that stream. Bids will soon be asked for its construction. The south jetty at the mouth of the Siuslaw is already under construction and the breakwater at the north side of the river's mouth will be built by Government appropriations, together with funds raised by the port.

Baker is the first city in Oregon to adopt the commission plan of government. It is working successfully and it is likely other communities in this state will follow the lead of the Eastern Oregon capital in revising the present methods of administering affairs.

Eugene celebrated the conclusion recently of a whirlwind campaign for new members of the Commercial Club that brought 150 additional persons into the fold. A banquet marked the close of the contest and the club will enter upon the new year with a good deal of enthusiasm. Among the big plans now being considered is the erection of a Commercial Club building for permanent headquarters.

The Oregon National Guard Association will meet at Albany January 4 and 5 in the new armory recently completed there. Business coming before the state organization will be transacted and a large attendance of O. N. G. officers is expected. Albany people will provide the visitors with special features and entertainment.

Klamath Falls will have the first Postal Savings Bank in Oregon. The Government is preparing to establish such an institution there and if this sort of bank is popular, other Oregon cities will have them.

The Mazamas, the mountain climbing club of Portland, will probably make the ascent of Glacier Peak in the Chelan Lake region next summer. The club has about fixed upon Glacier Peak as the objective point of the next climb, it being the custom to scale a different mountain each year. Glacier Peak lies in the midst of magnificent mountain scenery and is about 10,000 feet high.

ASTHMA, CATARRH, CURED
Expert medical Science announce startling results obtained by Senpine

New York.—Thousands are taking advantage of the generous offer made by the Woodworth Co. Dept. A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.
