

### Electricity.

The temporary tomb of Mary Baker Eddy, founder of Christian Science, is lighted with electricity, and is equipped with a telephone. A guard is stationed at the tomb, and watch is kept day and night. In the meantime, a large mausoleum is being built, in which Mrs. Eddy's body will be permanently placed.

A plan is on foot to use the power at Great Falls on the Potomac River for a hydro-electric plant to generate current for consumption in the District of Columbia. At present 4,458 horse-power is required, but the power available at Great Falls, even at low water, is considerably over 6,000 horse-power, and by using a storage reservoir above the falls, it could be increased to about 8,650 horse-power.

By the simple expedient of placing a locomotive headlight on a derrick, and using therewith an arc lamp of 3,000 candle-power, it was possible to continue excavation work night and day on the Evanston channel of the Chicago drainage canal. The headlight automatically followed the movement of the bucket, so that the process of excavation at night was made very simple. Whenever it was desired to diffuse the light, the lamp was thrown slightly out of focus.

Some time ago we referred in this column to the novel method of raising kegs of nails from a sunken vessel in the Mississippi River by the use of electro-magnets. This method was suggested to the Navy Department, that torpedoes which have gone to the bottom because of some defect can be raised in a similar manner. Hereafter, in practice firing, when a torpedo is lost, the approximate point at which it sank will be marked with a buoy, so that the region may be explored with an electro-magnet, and the torpedo be thus recovered. The lifting power of the magnets will not have to be very great, owing to the buoyancy of the torpedo in the water.—Scientific American.

### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

### A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.
