A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangement, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal arrangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild stomach and you get with each bottle a Dr. Herrick's Red Pepper Porous Plaster for the chest.
Price 25c, 50c and \$1.00.
Buy the \$1.00 size. It contains five times as much as the 25c size, and you get with each bottle a Dr. Herrick's Red Pepper Porous Plaster for the chest.
