The council have started in again to tackle the water question, going to correct some defects in the former proceedings leading up to the amending of the charter. It is thought that the charter can be submitted to a vote of the people in a few weeks now, and that work will be resumed on the water system in a short time thereafter.

The county clerk advertises for bids for the construction of a new jail to be built of reinforced concrete, with separate wards for male and female prisoners, insane ward, etc. This is a step in the proper direction and shows a spirit of progress in our county court which will meet with the hearty approval of all good citizens.
