

THE SCHOOL MEETING

Superintendent Alderman Sends Circulars to Patrons

May I not ask for your co-operation to the extent of giving a part of one day in the year to the consideration of public school questions? We are planning this year, in the State of Oregon, to make the annual school meeting day a great day by having as many of our people as possible attend the meeting and learn conditions of our school plants. We expect to have an annual picnic on this day in many school districts, and we hope that every one interested in the district in the district school will be present and help the school officers in making this event a great success.

The annual school meeting in your district, this year occurs on June 19. Please take the time on the morning of the 19th to go over to the school house and look over the school grounds and school buildings. See if you can help to have conditions improved if need improvement; if they do not, may I ask you to show your appreciation to the members of the School Board who brought about these conditions without pay or without thanks. Some of our school buildings are very unsanitary, and our schools will not be what they should be until we have the united support of all our school patrons.

Yours for the best schools possible,
L. R. ALDERMAN.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Jackson County Girl Elected.

Miss Lucy Crawford of Ashland, Jackson county, a sophomore in the domestic science department of the Oregon Agricultural College, has just been elected first vice-president of the Waldo Hall Club, the organization of residents of the girls' dormitory, for the coming year. She will not only be required to act as the chief executive in the absence of the president, but will be ex-officio chairman of all of the social committees. This entails a great deal of responsibility and effort, as there are frequent social functions given by the club members during the year.

Oregon Sidelights.

A chapter of the P. E. O., a secret organization of women, has been formed at Forest Grove.

The Klamath Falls Military band will give steamer excursions on the lake on Sundays throughout the season.

Barbers of Klamath Falls henceforth will open their shops at 8 o'clock in the morning, instead of at 7 as heretofore.

P. C. Arildson of Richland and E. W. Dunn of Halfway have been elected school supervisors for district No. 2 and No. 3, Baker county.

Forest Grove News: The local ice plant is running full blast and quantities of the congealed product have been shipped to Banks, Buxton and Gaston.

E. J. Finerman of Kansas City has bought an interest in the Eugene Guard. He will devote his attention mainly to the advertising and business departments.

The city council of Hermiston has appointed Walter B. Hinkle as city engineer to draw plans and specifications of a water system, and to superintend construction.

Dr. Schmidt of the University of Oregon has secured a leave of absence for the remainder of the school year and has gone to Europe. He will be gone until September.

The Commercial club of Newport has taken steps toward the building of a macadam road between Newport and Falls City. Cooperation of Falls City, the Siletz district and Toledo is sought.

Port Orford Tribune: The roof will be finished on the shingle mill this week, and as some of the machinery is in place it will not be long before its whistle will again wake our sleepy town.

Klamath Chronicle: Rev. Warren,

pastor of the Methodist church at Fort Klamath, is making preparations in conjunction with his people at the fort to erect a fine place of worship, to be completed this summer.

Joseph Herald: The Oregon geographical board has very sensibly decided to make the following changes in names in this vicinity, owing to the present names being very misleading and inappropriate: Wallowa lake will be changed to Lake Joseph, Powder River mountains and Eagle Cap to Joseph Peak.—Journal.
