**THE AGRICULTURAL COLLEGE**

**Alaskans Graduate. Seniors Beat Faculty.**

The two Alaskan boys who received the degree of Bachelor of Science at the Oregon Agricultural College last week both won honors in student activities in addition to their scholastic work.

C. L. Jamison of Fairbanks, who finished the mining course, was president of the Jeffersonian Literary Society, Captain of Co. B in the regiment, president of the Miners' Association, Editor-in-chief of the college annual, The Orange, associate editor of the monthly magazine The Student Engineer, treasurer of Gamma Delta Phi fraternity, a member of the Student Council having the discipline of students, secretary of the debate council and of inter-collegiate debate, a member of the winning inter-society debating team, and of the team which defeated the Washington State College this year.

R. D. Bridges of Cordova, a graduate of the commerce school, was president of the Commercial Club, First Lieutenant of Co. L in the regiment, treasurer and afterward vice-president of the Athenaeum Literary Society, and a member of the Junior class baseball nine.

The O. A. C. Seniors beat the Faculty 19 to 9 in a baseball game which formed a part of commencement week fun. Lack of practice handicapped the instructors, a number of whom showed what they might do if they had been in training.

The graduates this year at O. A. C. included men and women from 11 states and 1 foreign country. India was represented by 1 student, Oregon by 106, Alaska by 2, California 3, Wisconsin 2, Washington 8, South Dakota and Indiana 1 each, Oklahoma 1, Arizona 1, Iowa 1 and Colorado 1. The 49 officers for next year's regiment include representatives of 7 states—Pennsylvania, Indiana, Idaho, Michigan, Oregon, Washington and California.

**A Vast Difference in Floor Finishes**

It means economy—it means satisfaction—it means a beautiful, lasting finish on your floors, to know the difference before you buy.

Common varnishes are brittle and soon show unsightly scratches.

Elastica Floor Finish is so tough that nothing mars it. Heels, scraping chairs, casters, leave no marks.

Common varnishes turn white under water.

Elastica Floor Finish never does. It is water-proof.

Common varnishes and wax need constant care and refinishing.

Elastica Floor Finish keeps its original lustre. It outlasts any finish ever before offered. It saves work and saves expense.

We cannot overstate the importance of knowing the facts about floor finishes. Come in and ask us.
