The Chas. H. Lilly Co., Seattle.  
**RESOLUTION NO. 32.**  
BE IT RESOLVED by the City Council of the City of Jacksonville, State of Oregon.  
FIRST—That the City Council intends to, and by this resolution hereby declares its intention and purpose to make, construct and establish an improvement under Chapter XIV of the City Charter, upon and along that part of Oregon Street, in said City, beginning at a point 10 feet north of the center of "E" Street and running thence northeasterly 1230 feet, and to assess the cost of said improvement upon the property specially benefited thereby.  
SECOND—That said improvement shall consist of a water main or mains, with all the necessary fittings, fixtures and attachments, fire hydrants, etc., all of proper size, capacity and material, to be laid, established and constructed in conformance with the plans, specifications and estimates of the City Surveyor, now on file in the office of the Recorder of said City, and to which plans, specifications and estimates special notice is hereby directed for a certain and definite description of the improvement hereby intended to be made. The probable total cost of said proposed improvement is estimated by the City Surveyor to be \$1132.66.  
THIRD—That the aforementioned plans, specifications and estimates of the improvement hereby proposed and intended to be made, constructed and established upon said street or part of street hereinbefore designated (which plans and specifications were filed in the office of the City Recorder on Nov. 7, 1911, and which estimates were filed Nov. 25, 1911.) are found by the Council to be satisfactory and the same are hereby accepted, approved and adopted as the plans, specifications and estimates of the improvement upon said street or part thereof.  
FOURTH—That whereas, for the purpose of determining the property and district benefited by and which ought to be assessed for said improvement, the Council has viewed all the matters necessary and proper to be considered for such purpose, the Council being fully advised in the premises, in its judgment finds and declares that the lots, parts of lots and parcels of land lying or being situated within the boundaries hereinafter described, is the only property specially and peculiarly benefited by said improvement and the same is hereby determined and established as the assessment district of said improvement, to be assessed therefor and to be known and designated as Assessment District No. 3, to-wit:  
Beginning at the southwest corner of Laurel street and Sterling Road and running thence southwesterly on the west line of said Road to a point 100 feet distant at right angles from Laurel street; thence west to a point at right angles distant 100 feet from Sterling Road; thence southwesterly

and south parallel with said Road 800 feet; thence east 250 feet; thence north and northeasterly parallel with Sterling Road to a point 250 feet southwesterly from southwest corner of Sterling Road and Laurel St.; thence northwesterly 100 feet to the east line of Sterling Road; thence west to the point of beginning.  
FIFTH—Persons owning property within said district hereinbefore established who may desire to protest or object to the making of said proposed improvement are required to file their objections in writing, with the City Recorder, within 15 days from the date of the publication and posting of this resolution.  
SIXTH—The City Recorder is directed to give notice of the matters and things herein as required by Section 109 of the City Charter, by the publication of this resolution in one issue of the Jacksonville Post, a newspaper published in said City and to make due proof thereof. The City Surveyor is directed to post a notice of said improvement, containing a copy of this resolution, for the time and in the places and manner required by said Section 109 of the City Charter.  
The foregoing resolution was regularly proposed and passed by the city council of the City of Jacksonville, Oregon, at a regular meeting of said council, held November 28, 1911, by the following vote:  
Yeas, Shaw, Britt, Dunford and Fick.  
Nays, none.  
HENRY G. DOX, Recorder City of Jacksonville, Oregon. Approved November 28, 1911.  
T. T. SHAW, Mayor City of Jacksonville, Oregon.  
**RESOLUTION NO. 33.**  
BE IT RESOLVED by the City Council of the City of Jacksonville, State of Oregon.  
FIRST—That the City Council intends to, and by this resolution hereby declares its intention and purpose to make, construct and establish an improvement under Chapter XIV of the City Charter, upon and along that part of Sterling Road or Third Street, in said City, beginning at a point 10 feet north of the center of Laurel Street and running thence southwesterly 900 feet, and to assess the cost of said improvement upon the property specially benefited thereby.  
SECOND—That said improvement shall consist of a water main or mains, with all the necessary fittings, fixtures and attachments, fire hydrants, etc., all of proper size, capacity and material, to be laid, established and constructed in conformance with the plans, specifications and estimates of the City Surveyor, now on file in the office of the Recorder of said City, and to which plans, specifications and estimates special notice is hereby directed for a certain and definite description of the improvement hereby intended to be made. The probable total cost of said proposed improvement is estimated by the City Surveyor to be \$731.47.  
THIRD—That the aforementioned plans, specifications and estimates of the improvement hereby proposed and intended to be made, constructed and established upon said street or part of street hereinbefore designated (which plans and specifications were filed in the office of the City Recorder on Nov. 7th 1911, and which estimates were filed Nov. 25, 1911.) are found by the Council to be satisfactory and the same are hereby accepted, approved and adopted as the plans, specifications and estimates of the improvement upon said street or part thereof.  
FOURTH—That whereas, for the purpose of determining the property and district benefited by and which ought to be assessed for said improvement, the Council has viewed all the matters necessary and proper to be considered for such purpose, the Council being fully advised in the premises, in its judgment finds and declares that the lots, parts of lots and parcels of land lying or being situated within the boundaries hereinafter described, is the only property specially and peculiarly benefited by said improvement and the same is hereby determined and established as the assessment district of said improvement, to be assessed therefor and to be known and designated as Assessment District No. 3, to-wit:  
Beginning at the southwest corner of Laurel street and Sterling Road and running thence southwesterly on the west line of said Road to a point 100 feet distant at right angles from Laurel street; thence west to a point at right angles distant 100 feet from Sterling Road; thence southwesterly

and adopted as the plans, specifications and estimates of the improvement upon said street or part thereof.  
FOURTH—That whereas, for the purpose of determining the property and district benefited by and which ought to be assessed for said improvement, the Council has viewed all the matters necessary and proper to be considered for such purpose, the Council being fully advised in the premises, in its judgment finds and declares that the lots, parts of lots and parcels of land lying or being situated within the boundaries hereinafter described, is the only property specially or particularly benefited by said improvement and the same is hereby determined and established as the assessment district of said improvement to be assessed therefor and to be known and designated as Assessment District No. 4, to-wit:  
Beginning at a point on the south line of Fifth street and 100 feet northeasterly from the southeast corner of Fifth and "G" streets and running thence southeasterly at right angles from Fifth street 100 feet; thence northeasterly parallel with Fifth street 460 feet; thence northwesterly at right angles to Fifth street 250 feet; thence southwesterly parallel with Fifth street 460 feet; thence southeasterly 160 feet to the point of beginning.  
FIFTH—Persons owning property within said district hereinbefore established who may desire to protest or object to the making of said proposed improvement are required to file their objections in writing, with the City Recorder, within 15 days from the date of the publication and posting of this resolution.  
SIXTH—The City Recorder is directed to give notice of the matters and things herein as required by Section 109 of the City Charter, by the publication of this resolution in one issue of the Jacksonville Post, a newspaper published in said City and to make due proof thereof. The City Surveyor is directed to post a notice of said improvement, containing a copy of this resolution, for the time and in the places and manner required by said Section 109 of the City Charter.  
The foregoing resolution was regularly proposed and passed by the city council of the City of Jacksonville, Oregon, at a regular meeting of said council, held November 28, 1911, by the following vote:  
Yeas, Shaw, Britt, Dunford and Fick.  
Nays, none.  
HENRY G. DOX, Recorder City of Jacksonville, Oregon. Approved November 28, 1911.  
T. T. SHAW, Mayor City of Jacksonville, Oregon.  
**RESOLUTION NO. 35.**  
BE IT RESOLVED by the City Council of the City of Jacksonville, State of Oregon.  
FIRST—That the City Council intends to, and by this resolution hereby declares its intention and purpose to make, construct and establish an improvement under Chapter XIV of the City Charter, upon and along that part of Medford Road or Fifth Street, in said City, beginning at a point 10 feet west of the center of "G" Street and running thence northeasterly 600 feet, and to assess the cost of said improvement upon the property specially benefited thereby.  
SECOND—That said improvement shall consist of a water main or mains with all the necessary fittings, fixtures and attachments, fire hydrants etc., all of proper size, capacity and material, to be laid, established and constructed in conformance with the plans, specifications and estimates of the City Surveyor, now on file in the office of the Recorder of said City, and to which plans, specifications and estimates special notice is hereby directed for a certain and definite description of the improvement hereby intended to be made. The probable total cost of said proposed improvement is estimated by the City Surveyor to be \$525.37.  
THIRD—That the aforementioned plans, specifications and estimates of the improvement hereby proposed and intended to be made, constructed and established upon said street or part of street hereinbefore designated (which plans and specifications were filed in the office of the City Recorder on Nov. 7th 1911, and which estimates were filed Nov. 25, 1911.) are found by the Council to be satisfactory and the same are hereby accepted, approved

and adopted as the plans, specifications and estimates of the improvement upon said street or part thereof.
