Electric Sparks

Running for the presidency is somewhat like checkers and various other pastimes. You cannot win by being constantly on the defensive.

Chicago's new air tester has an "eye" that collects cinders and dirt. It must be a very human sort of eye. It must be fine to be as rich as the Rockefellers, so that everybody sees you when you go to church.

If you do not believe women are economical observe the new shirt waists with apron attachments.

As soon as this cruel war is over Ohio will enter upon a period of reconstruction.

Senator Dillingham also paragoned the junction, "kindly om" d-avers. On the other hand England is complaining of an excessively dry spring.

As everybody says, Ty Cobb should hit the ball, not the spectators.

No one, we trust will try to chop down the doors of the Coliseum.

King George and Queen Mary held court recently and several American Ladies were present. So it may still be pleasing for some American ladies to go to Europe, even if it has become almost impossible to smuggle diamonds home.

Australia has a woman on the bench now. We could easily find a woman who we would prefer for President to some men we know.

It may not be very nice to say or ethical, but there is a conviction that if the office of President of the United States is seeking the man it is doing it in a very gumshoe fashion.

Some candidate is missing an opportunity to present himself to the voters as the only genuine reincarnation of George Washington.

"The vital things in the coal situation" is being discussed. We should consider \$6.75 a ton the most vital thing in that situation, especially when the good old bin is empty.

A widow has been elected mayor of a town in Wyoming on the ground probably that she would be inclined to give careful consideration to all proposals.

Senator Crane knows when he has had enough.

Will the legislature please help the needy state of Illinois by doing what it can to limber up the rheumatic state constitution?

New York has a special force of policemen to guard shoppers, but even that will not prevent bargain counter rushes.

A double wedding is one kind of a four-in-hand tie.

No amount of culture will make a man stop snoring in his sleep.

Card of Thanks

We desire to express our sincere and heartfelt thanks to the many kind friends and neighbors for kindness and sympathy during our recent sad bereavement and especially to the ladies and others for the beautiful floral offerings.

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.

TYPEWRITERS GIVEN AWAY.

The Emerson Typewriter Company of Woodstock, Ill., have recently given away over 400 of the highest grade, wholly visible Emerson Typewriters made in the world. They have gone into every state and territory in the United States. There may be some in your town. They are giving them away everywhere to men, women, boys and girls over 18 years of age, on surprisingly liberal conditions.

If you could make any use of a \$100 typewriter, providing it did not cost you even one cent, then in a letter or on a postal card addressed to Frank L. Wilder, President, Woodstock, Ill., simply say, "Mail me all your free offers," and by return mail you will receive their Free Offers, the names of over 400 who have recently received typewriters free, and you will learn on what easy conditions you can get one of their typewriters free right away.

The Emerson Typewriter is one of the highest grade, wholly visible typewriter made in the world. Many who have used the "EMERSON" and other makes pronounce the "EMERSON" superior to any \$100 typewriter on the market. It is a wholly visible machine, has every new, up-to-date feature, looks like other high grade \$100.00 typewriters, though it is selling just now at an astonishingly low price and on terms of no money with order, trial free in your own home. Nothing to pay at first, and after a thorough trial, 10 cents a day until paid. The "EMERSON" has every new improvement, universal keyboard, back spacer, tabulator, two-color ribbon, everything the best; is the ideal machine for beginners as well as for the most expert typists and stenographers; just the typewriter for the largest or smallest office.

If you could possibly make any use of a high grade typewriter, even though it did not cost you one cent of money, or if you would like the agency in your town on a plan by which you could make big money, or if you would like a position with the company, then be sure, on a postal card or in a letter addressed to 'Frank L. Wilder, President, Woodstock, Ill.,' say, "Mail me your Free Offers."

Dysentery is always serious and often a dangerous disease, but it can be cured. Chamberlain's Colic, Cholera and Diarrhoea Remedy has cured it even when malignant and epidemic. For sale by all dealers.
