**REMEMBER THIS!**

Taft cannot be elected.  
Roosevelt can be elected.  
Wilson might be elected if the choice of a President was taken from the people and thrown into Congress.  
The election of Wilson means tampering with the incomes of the business man, the wage-earner and the farmer.  
It is up to every American to defend his income, upon which always depends his outgo.  
The Only Way for the American Voter to Defend His Income is to Prevent the Election of Wilson by Voting for ROOSEVELT AND JOHNSON  
(Paid Ad. Oregon Progressive Party.)
