KEEP KIDNEYS WELL

Health is Worth Saving, and Some Jacksonville People Know How to Save it.

Many Jacksonville people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers.

The following statement leaves no ground for doubt.

Mrs. Mary Winterhalter, near W. Jackson St., Medford Ore., says: "I used Doan's Kidney Pills with beneficial results when suffering from kidney trouble, and I know of other persons who have taken them with success. Since I used Doan's Kidney Pills about a year ago, I have had the least trouble from kidneys. This remedy deserves my hearty endorsement."

For sale by all dealers. Price 50 cents, Foster-Millburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

If you have young children you have perhaps noticed that disorders of the stomach are their most common ailment. To correct this you will find Chamberlain's Tablets excellent. They are easy and pleasant to take, and mild and gentle in effect. For sale by all dealers.

Fish Bill Causes Friction.

A reader of the Tidings protested to the writer that the sportsmen of this city were needlessly antagonizing Medford and Grants Pass in opposing the bill presented by Representative Reames to open the lower Rogue river to salmon seining. Inquiry among local sportsmen indicates that the gentleman was mistaken so far as Grants Pass is concerned. Grants Pass is opposing the Reames bill just as strongly as are Ashland sportsmen, but for a different reason. Grants Pass wants the river either opened to that place or not at all. That city is working in the interests of its local fishermen and has a plain reason for so doing, but it, like Ashland, is opposed to turning the lower part of the river over to the Hume interests, which seem to have obtained control of affairs in Medford, or at least of certain parties there.

Certainly if the Hume interests are to be allowed to seine the river at its mouth there is no fairness in refusing to permit local fishermen at Grants Pass to do the same. The charge is openly made, and is said to be well founded, that the death of salmon is caused, not because they are too plenty but by dynamiting by local fishermen along the river. The remedy would seem to be the enforcement of the law and not the taking off of restrictions altogether. —Ashland Tidings.

Glad Flags Not Stolen.

Dave Duncan, our genial orchardist, feeling the urgent and immediate need of giddy raiment, journeyed to Medford the middle of the week and there purchased something extra fancy in the way of wearing apparel. He left his purchase in the R. R. V. Ry. waiting room while he transacted other business and during his absence some one picked up the suit of clothes and placed it on a train bound for Jacksonville. When he returned to the depot in Medford, Dave jumped to the conclusion that he had been "touched" but upon his return to this city, found, needless to say to his great relief, that his clothes had preceeded him. There is a persistent rumor that Dave wanted those clothes for a particular purpose.

New Residence for Jacksonville.

John Dunnington this week started the erection of a new residence on his property on Third street in this city. When completed it will be a comfortable five-room house, equipped with fire place, up-to-date plumbing and modern conveniences. Fred J. Fick, who has the contract for the erection of the residence, has a force of men employed and expects to complete the building at an early date.

Mr. Dunnington's property is situated in one of the most pleasant sections of the city and is a beautiful site for a residence.

More Improvements.

J. Lyden of the Lyden Hotel, this week installed a new front in his second-hand store, adjoining the hotel, which is a decided improvement. Mr. Lyden is also sinking a well on his premises. In the old mining days considerable gold was taken from the property on which the well is being sunk, in consequence of which the men employed are washing the dirt taken out, but so far with little result.

J. W. Copeland, of Dayton, Ohio, purchased a bottle of Chamberlain's Cough Remedy for his boy who had a cold, and before the bottle was used the boy's cold was gone. Is that no better than to pay a five dollar doctor's bill? Sold by all dealers.

How to Barkley the Doctors.

A prominent New York physician says: "If it were not for the thin stockings and thin solid shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effective and is pleasant and safe to take.
