Son's Catch Causes Apoplexy.

Grants Pass, Ore., April 3.—John W. Smith was a grandstand spectator at the game here between the Grants Pass team and the Chicago colored Giants. His son, Guy Smith, played left field for the home team.

In the eighth inning a Giant lifted the ball into deep left and young Smith made a spectacular running catch. The crowd cheered, and the elder Smith toppled over with a stroke of apoplexy. His condition is very serious.

GOOD NEWS

Many Jacksonville Readers Have Heard it And Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in Jacksonville are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is had no more, thanks to Doan's Kidney Pills. Thousands upon thousands of people are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

M. Powell, 263 Oak St., Ashland, Ore., says: "I suffered a great deal from kidney trouble and backache and sometimes I could hardly get around. On arising in the morning, I was stiff and lame and the kidney secretions annoyed me by their irregularity in passage. As soon as I commenced taking Doan's Kidney Pills, I improved and I am now in good health. I still use Doan's Kidney Pills occasionally however, but more as a preventive than anything else. I always insist upon Doan's Kidney Pills for no substitute could be as effective as they." For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

MODELED FROM MEMORY.

Danton Was a Wonder, Though He Did Once Mix His Subjects.
Danton, the celebrated caricaturist, had a wonderful power of modeling from memory. After one long look at his subject he could go to his studio and make a bust quite perfect in its resemblance.

One day a young man came to him, saying that his sister was ill and about to die and that, although the family wished her bust modeled, they dared not excite her by mentioning it. He would undertake to reproduce her features after seeing her once. Danton agreed, and next day the brother informed his sister that he intended to present her with some jewelry and that a young man would bring some specimens for her approval.

Danton brought in the jewels and, going home, modeled a bust of striking resemblance. Next year an old gentleman, the father of the young man, came to order a bust of the brother, who also had died. This, too, was a marvelous success.

The result of such planning, however, was not always as satisfactory to his patrons as in these cases. A gentleman who could not persuade his wife to sit asked Danton to enter a certain omnibus one day and fix in his memory the features of the lady opposite him.

He did so, modeled a beautiful bust and sent it home. It proved, however to be not the mistress, but the maid who had also taken the trip in the omnibus.

Keeping the Hands Smooth.

It is possible to have smooth hands even if one is a housekeeper and dishwasher, obtain from the drugstore 5 cents' worth of fragrant, which is enough for a year's use. Dissolve a teaspoonful of this in three times as much water. Let stand in a covered teacup for twelve hours. Then fill the cup with water, and you may apply the thin jelly which is made freely to your hands after each washing. A few drops of your favorite perfume and a little glycerin added to the jelly improve the lotion.—Woman's Home Companion.

For Inspiration.

"Now, I want something in your happiest vein," said the editor.
"Better pay me in advance, ben," declared the poet.—Washington Herald.

Found a Cure for Rheumatism.

"I suffered with rheumatism for two years and could not get my right hand to my mouth for that length of time," writes Lee L. Chapman, Mapleton, Iowa. "I suffered terrible pain so I could not sleep or lie still at night. Five years ago I began using Chamberlain's Liniment and in two months I was well and have not suffered with rheumatism since." Look to Your Plumbing.

You know what happens in a house in which the plumbing is in poor condition—everybody in the house is liable to contract typhoid or some other fever. The digestive organs perform the same functions in the human body as the plumbing does for the house, and they should be kept in first class condition all the time. If you have any trouble with your digestion take Chamberlain's Tablets and you are certain to get quick relief. For sale by all dealers.—Advertisement.

How to Dress.

A prominent New York physician says: "If it were not for the thin stockings and thin soled shoes worn by women the doctors would probably be looking for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effectual and is pleasant and safe to take. California Woman Seriously Alarmed

"A short time ago I contracted a severe cold which settled on my lungs and caused me a great deal of annoyance. I would have had nothing to do with it but my lungs were so sore and inflamed I began to be seriously alarmed. A friend recommended Chamberlain's Cough Remedy, saying she had used it for years. I bought a bottle and it relieved my cough the first night, and in a week I was rid of the cold and soreness of my lungs." writes Miss Marie Gerber, Natick, Cal.
