## She Learned to Keep a Bank Account.

By OSCAR COX

"My dear," said Robert Read, "what is this nonsense about your joining the suffragists?"

"Why, it's no nonsense at all, Bob. I've joined."

"Will you kindly tell me your object?"

"Well, you see, there are lots of women who own property, and they are interested in making the laws that govern that property. They should have a voice in electing the right officials."

"But you have no property?"

"Haven't I a husband who has? And mayn't he die and leave it to me?"

Mr. Read found this argument too much for him. He thought awhile.

"What you have said," he remarked later, reminds me that, I being liable to die before you do, you will need some knowledge of taking care of property. I think I had better give you some instructions in that direction, else a vote will do you no good, for you won't know enough to use it."

"No fear of that. However, I am ready to be instructed."

"I shall begin with teaching you to keep a bank account. Ever since I went away and left orders with the bank to honor your checks and you forged my name I have felt that you should know more about such matters."

"That was very stupid, wasn't it?"

"I should say so."

A few days later the husband gave his wife a check book, a pass book and a check for a hundred dollars, explaining what each book was for, and told her that she was to deposit the check in the bank. He also told her how to enter each deposit in her check book and subtract each check from her total deposits so that her balance would be always before her. He wrote "For deposit" on the check and told her to sign her name under it, explaining that the words were to indicate the purpose for which it was indorsed and that it was not to be paid to any one. Then he made out her deposit ticket for her, put it with the check in the pass book, and the lesson was ended.

A few days later he came home and found his wife in tears.

"What is it, sweetheart?" he asked anxiously.

"I dare not tell you!" she moaned.

"Anything happen to the children?"

"No."

"Don't keep me in suspense."

"I've lost the hundred dollars you gave me for the bank."

"Why, I didn't understand that you were going to draw it."

"I didn't put it in."

"Oh, well, if you've only lost the check it doesn't matter."

"I haven't lost it!" Fresh tears started.

"Well, what became of it?"

"I was cleaning out my desk and burning the old papers in it. I threw a lot of things into a wastebasket and dumped them into the kitchen range. The check and the little book it was in are all burned up."

She sobbed as though her heart would break.

Her husband looked at her pityingly, a smile of hopelessness on his lips. She thought the check was destructible like a bank bill.

He kissed away her tears, explained how he would give her another check in place of the one she had burned and gave her another lesson on the subject. She was sure she understood him perfectly. The lessons were continued for many months, and Mr. Read became convinced that his wife had learned all about banking. At another time, she made deposits and drew checks as well as anybody.

Then one day when Mr. Read went into the bank he was called in to the office of the cashier, who gave an "atom" and said:

"Your wife, who has an account with us, needs some explanation of banking methods."

"What's she been doing?"

"Nothing of any importance; nothing wrong. It is simply a matter of ignorance of banking. We notified her a few days ago that her account was overdrawn, and she sent us her check on our own bank to cover the deficiency."

"Humph!" grunted Mr. Read. "How much is it?"

"Two hundred and forty dollars."

Mr. Read drew a check for the amount and when he went home in the evening kissed his wife as usual and began reading the evening paper.

"Anything new in town today, dear?" asked Mrs. Read.

"Yes; it is reported that a new banking law has passed congress."

"Indeed! What are its main features?"

"It will make paying an overdraft with a check of the person overdrawing, drawn on the bank where the overdraft has occurred, illegal. You can't do that any more."

"Isn't it fortunate that I paid up before the law was passed?"

"Very. If you're tired of the trouble of keeping your account suppose you put yours in with mine."

"I think I will. You know I only did it to learn how, and now that I have learned, I don't need to bother with it any more."

"Just so. Let's go down to dinner."

"Bob," she said a few days later, "I've been thinking that if you should die before me how nice it will be now that I've learned business and will be able to take care of my own affairs."

"You won't need another husband, will you?"

She looked at him reproachfully.

### Surprising Cure of Stomach Trouble.

When you have trouble with your stomach or chronic constipation, don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. Stenge, Plainfield, N. J., writes, "For over a month past I have been troubled with my stomach. Everything I ate upset it terribly. One of Chamberlain's advertising booklets came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want." For sale by all

Dysentery is always serious and often a dangerous disease, but it can be cured. Chamberlain's Colic, Cholera and Diarrhoea Remedy has cured it even when malignant and fatal. For sale by all dealers.
