The City Election

Tuesday was the day for the general municipal election and considerable interest was manifested owing perhaps to circulars which had been distributed late the preceding evening and which contained charges and counter charges. The average citizen however usually pays little attention to these eleven hour statements.

The total number of ballots cast was 212, about an average vote. Candidates received the following number of votes:

For Mayor—C. D. Abbott	105
.. .. —Emil Britt	135
Councilman—D. W. Bagshaw	119
.. .. —Fred J. Fick	107
.. .. —J. Hartman	123
.. .. —J. A. Norris	115
Recorder—Lush Stansell	183
Treasurer—J. M. Cronemiller	176

Messrs Stansell and Cronemiller for recorder and treasurer had no opposition. For Mayor Mr. Britt had 30 majority over Abbott and for councilmen, Mess. Hartman and Bagshaw were elected by small majorities.

The old council will meet tonight to canvass the votes and settle up the unfinished business. The new board will meet Tuesday evening of next week for organization, etc. The personal of the new board will be: Mayor—Emil Britt; Councilman—D. W. Bagshaw, Chauncey Florey, Jasten Hartman and J. R. Neil.

"SPEAR HEAD"
AN OLD TIME
FAVORITE

The Most Popular Chew for a Third of a Century

PURE, RICH, FRUITY-SWEET

The man who chews gets by far the most wholesome enjoyment and satisfaction out of tobacco, especially if he chews *plug* tobacco. The rich juices of the leaf are retained in good plugs better than in any other form.

For more than a generation Spear Head has held first place as the favorite high-grade plug chewing tobacco.

This unique distinction is due solely to the wonderful quality and flavor of Spear Head—the richest, mellowest, tastiest chew in the whole world.

Spear Head is the choicest of all red Burley, hand-stemmed and made into mellow-sweet plugs in a perfectly clean, most sanitary factory.

You can't chew the flavor out of Spear Head, because it's a part of the tobacco. That rich, ripe, red Burley taste keeps on pleasing you as long as you keep on chewing.

Chew Spear Head and you'll be chewing the purest and most satisfying tobacco that it's possible to make. In 10¢ cuts, wrapped in wax paper.

More for His Money

Mike Murphy went to a dentist to get a tooth drawn. When it was drawn Mike asked the dentist how much he owed him. "Two dollars." "What! The last dentist I went to, he only charged me 50 cents, and he pulled me all around the room."—Pittsburg Chronicle-Telegraph.

Friendship bought with money isn't proof against the coin of your enemy.

Furthermore, preparedness, more or less like politics, also makes unexpected fellows.

The Athenian "Liturgy."

One of the most interesting cases of voluntary taxation is the ancient Athenian "liturgy," which meant something very different from the liturgy of today, the etymological meaning of the word being "public work." The liturgy was a special contribution made to the state by a wealthy citizen or group of citizens. There were ordinary liturgies, such as the provision of the chorus for a great tragedy, and extraordinary ones, such as the equipment or maintenance of a warship. The liturgy was fundamentally a tax, and it was often evaded by all sorts of shifts. But in the palmy days of Athens it was considered disgraceful for those upon whom it was imposed to do no more than the law exacted, and sometimes rich citizens would volunteer a liturgy from public spirit or to win popularity.—London Chronicle.
