THE BREAKING POINT

Is Near, Or Men Will Go Mad and Chaos Result.

A most touching appeal is being made throughout the east for aid for French widows and orphans left destitute by the war. The magnitude of the demand is almost paralyzing for it extends as wide as are the boundaries of the great countries. What of Belgium, of Poland, of Serbia, of Russia, of the British Isles, of the poor wretches on the Tigris and Euphrates, on the slopes of Italy, in the depths of the mighty Teutonic empires!

Who can measure the suffering, what means can prescribe anything a remedy.

Each power points to its resolute soldiers and declares that it is not conquered, that it can maintain its position indefinitely, but what is behind the fighting men? How much longer can society hold itself together; how much longer can mothers tell their children that they have no food or clothing for them and that they do not know when papa is coming home?

Is there no appeal that can reach those rulers and make them willing to stop the destruction and to begin to bind up the appalling wounds? How much longer can society bear the strain without all men going mad and chaos coming? We have thought that before this the neutral nations should make an appeal for peace; it looks as though a demand would soon have to be made lest reason be driven from the earth and men become merely irresponsible wild beasts.—Goodwin's Weekly.

Political Announcements

CANDIDATE FOR SHERIFF.

I have heretofore formally announced my candidacy for the nomination for Sheriff on the republican ticket to be voted upon at the coming primary election, May 19th, 1916.

I have held the position of Deputy Sheriff during the past four years. It is unanimously conceded that a marked improvement has been made in all departments of the Sheriff's office during the incumbency of the present Sheriff, the records in the office at the beginning of the present administration were considered the worst in the state, they are now considered equal to any and better than most.

The work of tax collection has been systematized so that quicker and better service is now being rendered, and taxes collected at a much less cost than heretofore.

I am fully conversant with the duties and needs of the office for which I aspire.

If I am nominated and elected I pledge myself:

1st—To maintain the office in its present efficient condition.

2nd—To endeavor to further improve the service to taxpayers and to minimize the cost thereof.

3rd—To impartially perform all duties and enforce all laws.

I have endeavored to serve the public faithfully in the past and agree if elected, to strictly and impartially enforce all laws. Having a very large experience in the matters of taxation and knowing Jackson County thoroughly, I pledge myself to conduct the tax collecting branch of the office in such a manner as to serve the taxpayers honestly, promptly and efficiently.

I am a candidate for the Republican nomination for County School Superintendent. I stand for: A continuance of progressive policies in education, economy consistent with efficiency, equal educational advantages for the boys and girls on the farms with those in the cities and town.

If nominated and elected I will in the future, as in the past, give my full time and best efforts to the supervision of the schools and the administration of the duties of the office. During my incumbency I have not confined myself strictly to the routine duties of the office but have taken a broader view of the mission of the County School Superintendent. In addition to my efforts to raise the standard of teaching and improve the physical conditions at school I have labored to promote the welfare of the boys and girls through industrial clubs, school fairs, school credits and for home work, parent-teacher circles, spelling and arithmetic contests, and other activities. I feel that my work has been done with favor and in order to continue it I am asking for re-election.
