## FOODS TASTE BETTER COOKED —TOBACCO TASTES BETTER TOASTED

Since the day of the caveman, who liked his meat raw, civilization has learned a lot about the scientific treatment of the things we eat.

Naturally none of us would now prefer to have our meat raw, our potatoes as they come from the ground, our coffee unroasted.

And naturally follows the great discovery recently made by The American Tobacco Co.—that tobacco tastes better TOASTED!

This wonderful new idea—simple like all great inventions—was first used in producing the famous LUCKY STRIKE Cigarette—made of toasted Burley tobacco.

Burley has a mellow flavor, entirely different from the tobacco usually used for cigarettes. It is a pipe tobacco and LUCKY STRIKE Cigarettes taste like a pipe.

## What's The Matter With Oregon?

### R. N. Stanfield, Republican for United States Senator

"I have a very strong conviction that Oregon has been discriminated against by the National Government in many ways. Mr. Stanfield shares this feeling and promises, if elected, to correct it as far as it lies in his power to do so. Senator McNary denies that any such discrimination exists. He was quoted in a dispatch from Washington to the Oregon Journal as saying that he took no stock in the statement that there had been discrimination against Oregon. Of course, if he believes that there has been no such discrimination he will make no effort to remove it."—S. B. Huston who withdrew from the Senatorial contest and is supporting Stanfield.

Why do the Telegram and Journal complain that Seattle is always taking payrolls away from Portland, then attack Stanfield because he has built up an industry which benefits Oregon and Portland, creates a payroll and adds thousands of dollars to the tax list? Why has Portland lost so much to Seattle—is it because there are elements in Portland, always ready to knock anyone who tries to help the community?

Five lawyers comprise the Oregon delegation at Washington, there has not been a business man, farmer, or toiler in the delegation in a generation.

Why has the Chamber of Commerce felt it necessary to hire a special representative at a senator's salary of \$7500 a year to look after Oregon's interests?

Stanfield will not be dictated to and controlled by a political boss, by corporations or by newspapers, but he will serve the people of his state, playing no favorites and giving a square deal.

No one has ever said that Bob Stanfield is a double-crosser, or that he is selfish or not liberal with his resources or his friendship. There isn't a lazy bone in his body. He has been a toiler all his life and never held a cushy job.

Raised on the range, he is no silk-stocking. Stanfield has built up from nothing through constructive labor until today he is one of the genuine assets of Oregon. He did not marry his money, nor did he inherit it—he worked for it.

Republicans know that Stanfield is 100 Per Cent Republican. He is not a 50-50 Demo-Rep.
