"SUB ROSA" IMPLIES SECRECY Term Had Its Origin Long Ago in a Plot Which Involved Existence of Sparta. The origin of the phrase sub rosa, "under the rose," implies secrecy, and had its origin in the year 477 B. C., at which time Pausanias, the commander of the confederate fleet of the Spartans and Athenians, was engaged in intrigues with Xerxes for the subjugation of Greece to the Persian rule. For the land of the monarch's daughter in marriage. The negotiations were carried on in a building attached to the temple of Minerva, called the Brazen house, the roof of which was a garden forming a bower of roses; so that the plot, which was conducted with the utmost secrecy, was literally nurtured under the roses. Pausanias, however, was betrayed by one of his emissaries, who, by a preconcerted plan with the overseers and counselors of state, five in number, gave them a secret opportunity to hear from the lips of Pausanias the acknowledgment of his treason. To escape arrest, he fled to the temple of Minerva, and as the sanctity of the place forbade intrusion, the people waited up the edifice so that he might die of starvation. THE WASHINGTON MONUMENT. It stands apart—alone—supreme. A shaft of stone—matchless—sublime; It marks a nation's grand esteem For one, "our father for all time." Plain, unadorned, immaculate, It rises high toward heaven; No name is carved, neither date; All know the history so unwritten. This peerless pile of solid stone Is not a sphinx, nor yet a tomb; It speaks; it lives, and beckons on The generations yet to come. Fit monument for one so great— His country's pride and boast; His spirit banishes all hate And binds the states from coast to coast.

EVERYBODY IS NOW FIGURING INCOME TAX In Order to Be Helpful to Public, Internal Revenue Bureau Has Every Available Officer in Field. SEVERE PENALTIES IF YOU DELAY BEYOND MARCH 15 With the due date for Income Taxes only a few weeks away, the collection of this far-reaching tax on 1918 incomes has started off with a bang. Everybody is figuring income tax. Payments and sworn statements of income must reach Internal Revenue offices on or before March 15, and there are severe penalties for delinquency. Residents of Oregon are required to make their returns and pay their taxes to Milton A. Miller, Collector of Internal Revenue, Portland, Ore., or to any of his deputy collectors who are now doing free advisory work on Income Tax. "Pay your Income Tax by March 15," is the slogan of the Internal Revenue Bureau, which has sent every available officer into the field to help the public to understand the requirements and to prepare the returns. Who Must Make Return. It is estimated that many thousands of single and married persons in this section of the United States who have never before made annual returns are required to do so this year. Income tax returns must be made between now and March 15 by persons who come under the following classifications: Any unmarried person whose 1918 net income was \$1,000 or over. Widows and widowers, divorcees and married persons who are living apart from their husbands or wives, are for the purposes of the Income Tax classed as unmarried. Any married person living with wife or husband whose 1918 net income was \$2,000 or over. The income of both husband and wife must be considered, together with the earnings of minor children, if any. Revenue Bureau Offers Aid. Each person in the United States who is in either of these classifications must get busy at once if penalties are to be avoided. He should secure a blank Form 1040 A for reporting net income up to \$5,000, or Form 1040 if his net income exceeded that amount. Forms are being distributed by Collectors and their Deputies, also by banks. By following the instructions on the forms a correct return can be prepared at home. If a person needs advice or aid, the Deputy Collectors in the field will furnish this without charge. The new Revenue law places the Income Tax duty on citizens and residents. The Internal Revenue Bureau is sending its men to work right with the public to get the tax and the returns in. With active co-operation every tax due March 15 will be paid and every return required by law will be in the Revenue offices on time. Exemptions Allowed. A single person is allowed a personal exemption of \$1,000. If he is supporting in his household relatives who are dependent upon him he may claim the status of the head of a family who has the same exemption as if married. A married person who lives with wife or husband is allowed a personal exemption of \$2,000. The head of a family is entitled to claim a similar personal exemption. An additional exemption of \$200 is allowed for each person under eighteen or incapable of self support who was dependent upon and received his chief support from the taxpayer. A husband and wife living together are entitled to but one personal exemption of \$2,000. If they make separate returns the exemption may be claimed by either or divided. Accuracy Required. Absolute accuracy is necessary in making up income figures. Any person who is working for wages should find out exactly how much he received during the whole year 1918. Fees, bank interest, bond interest, dividends, rents received and all other items must be reported correctly. Mere guesses are not accepted, for they are unjust alike to the taxpayer and the Government and defeat the proper administration of the law.

SEVERE PENALTIES IF YOU DELAY BEYOND MARCH 15

With the due date for Income Taxes only a few weeks away, the collection of this far-reaching tax on 1918 incomes has started off with a bang. Everybody is figuring income tax.

Payments and sworn statements of income must reach Internal Revenue offices on or before March 15, and there are severe penalties for delinquency.

Residents of Oregon are required to make their returns and pay their taxes to Milton A. Miller, Collector of Internal Revenue, Portland, Ore., or to any of his deputy collectors who are now doing free advisory work on Income Tax.

INCOME TAX IS TRULY POPULAR.

"The payment of Income taxes takes on a new significance which should be understood by every citizen. The taxation system of this country is truly popular, of the people, by the people and for the people. Every citizen is liable to tax, and the amount of the tax is graduated according to the success and fortune attained by each individual in availing himself of the opportunities created and preserved by our free institutions. The method and degree of the tax is determined by no favored class, but by the representatives of the people. The proceeds of the tax should be regarded as a national investment."—Daniel C. Roper, Commissioner of Internal Revenue.
