VICTORY NOTES NOT TO LOWER IN PAR VALUE

New Issue Has Special Appeal to All Investors, Says Expert.

"Capitalists, as well as the small investor, may purchase the new Victory Loan notes with the fullest assurance that they will hold in the market close to the issue price," declared G. K. Weeks, Victory Loan campaign manager for the Twelfth District, today in calling attention to the strong appeal the Victory notes make to investors strictly from an investment standpoint. He continued: "It has, of course, been a source of disappointment to subscribers for previous Liberty Loan issues that these issues have gone, even temporarily, to a discount of five or six points in the market."

"While this does not represent a real loss to those who have held their bonds for investment, it is reassuring to subscribers for Victory notes that no such discount is possible in the case of the present issue."

"Discount Impossible." "A decline of the Victory Loan notes of only one point, to 99 for example, would put them on an interest return of 5.03%. Even during the war, with the prospect of continued large issues, no Liberty Bonds have ever declined to any such basis. The Fourth Loan bonds today, as a matter of fact, are selling to yield less than the 4% paid by the Victory notes at par."

"A similar situation exists in the case of the series of 2 3/4% fully tax-exempt notes which are suitable for the larger investors. The first issue of the fully tax-exempt Liberty Bonds bearing 3 1/2% interest, in spite of all the liquidation during the war, are selling today to yield only 3.55%."

"Should the Victory Loan 3 1/2% notes decline to 99, this would be equivalent to a 4.03% return from its fully tax-exempt note, which would be equivalent to 91 for the Liberty Loan 3 1/2% which now are in active demand in the market at 99."
