Forces Within.

Trials without discover forces within. Says Victor Hugo: "They are instincts for all the crises of life." A deep perplexity awakens a flash of insight; a bitter opposition sets the soul on fire; a brave peril opens our eyes to horses and chariots of fire; a severe catastrophe evokes a heroism of which the sufferer had not thought himself capable.—W. L. Watkinson.

With a Proviso.

James was fond of one of his mother's friends, a girl in her twenties. One day, when he had been particularly well entertained by her, he remarked: "Aunt Margie, when I grow up I'm going to marry you." Then he looked at her thoughtfully and added: "That is, if you last long enough."

Much Wastage of Potatoes.

The annual potato crop of the United States is around 400,000,000 bushels. Government statistics show that of this at least 75,000,000 bushels are lost. This wastage is due to the culls, rotting and freezing of potatoes in shipment and the lack of nearby markets.

Handy Oil to Have.

Automobile oil is inexpensive, and useful for many household purposes: one drop will relieve a squeaking door hinge or a heavy running sewing machine; wipe it off with absorbent cotton.

Regularly Acquired.

I was visiting in a little country place and was about to board the train to return when I noticed a dear little girl with tight curls close to her feet, and, calling her, I asked: "Where did you get all those pretty curls?" Much annoyed, she answered: "Oh, dey was on me when I tamed."—Chicago Tribune.

Just Where and How Is the Money to be Spent?

A businesslike Answer to a businesslike Question

THIRTY denominations cooperating in the Interchurch World Movement have budgeted their needs. No business could have done it more scientifically.

They have united to prevent the possibility of duplication or waste. At least a million dollars will be saved by the fact that thirty individual campaigns are joined in one united effort.

Each denomination has arranged its budget under six main heads:

- 1 FOR THE CHURCH'S WORK AT HOME. A score of them come under this head. Consider only one: Five and a half million people in the United States cannot even read and write the English language. Who is to carry on the work of evangelization if the church does not?
2 FOR HOSPITALS AND HOMES. Every year thousands of men and women seriously ill are turned away from Church hospitals because of lack of room. The children's homes are compelled to turn away more children than they can receive.
3 FOR HIGHER EDUCATION. Of the 450,000 American students in institutions of higher grade, one-half are in institutions founded and supported by the Churches. Many of these institutions have had no great endowment campaigns, but their needs are just as pressing as the needs of larger schools, and you have only to read their list of alumni and alumnae to measure the value of their contribution to America.
4 FOR RELIGIOUS TRAINING. At least 12,000,000 children and young people under 25 years of age are entering American life without any religious training at all. Remembering the faith of Washington and Lincoln, do you think that America will continue to produce Washingtons and Lincolns if faith dies out of the hearts of its youth?
5 FOR THE CHURCH'S WORK ABROAD. Influenza came first from the Orient thirty years ago; nearly all plagues are Oriental plagues. So long as China has only one plague to every 50,000 people the Orient will continue to be a menace. So long as one-third of its babies or infants die before their second year our own babies are not safe. A Christian doctor or teacher sent abroad is working for America as truly as though he worked at home.
6 PREACHERS' SALARIES. The preacher is called the "forgotten man" and well he may be. Eight out of ten preachers are paid less than \$50 a week.

Each denomination has its own detailed budget, and will administer its own funds. Your pastor has copies of the budget; examine them for yourself. In the week of April 25th-May 2nd you will be given your opportunity to help. You can do it with the full satisfaction of knowing that every dollar of your gift has its post assigned to it in advance.

Every dollar for better America and a better world. When your church calls on you give—and give with your heart as well as your pocket-book.
