SUMMONS

IN THE CIRCUIT COURT OF THE STATE OF OREGON FOR JACKSON COUNTY.

M. A. Barron, Plaintiff, vs. E. J. Farlow and Mary D. Farlow, his wife, Alice Hinman and A. Hinman, her husband, Otto Miller and Elva Miller, his wife, Edward Miller and Cere Miller, his wife, Ada Culver and Charles Culver, her husband, Annie Nelson and P. A. Nelson, her husband, Ada Shaffer and Harry Shaffer, her husband, Edwin Dunn and Nellie Dunn, his wife, and Miller Dunn; and also the unknown heirs of Hiram Farlow, Deceased; and also all other persons or parties unknown claiming any right, title, estate, lien or interest in the real estate described in the complaint herein. Defendants. To E. J. Farlow and Mary D. Farlow, his wife, Alice Hinman and A. Hinman, her husband, Otto Miller and Elva Miller, his wife, Edward Miller and Cere Miller, his wife, Ada Culver and Charles Culver, her husband, Annie Nelson and P. A. Nelson, her husband, Ada Shaffer and Harry Shaffer, her husband, Edwin Dunn and Nellie Dunn, his wife, and Miller Dunn; and also the unknown heirs of Hiram Farlow, Deceased; and also all other persons or parties unknown, claiming any right, title, estate, lien or interest in the real estate described in the complaint herein: the above named defendants.

IN THE NAME OF THE STATE OF OREGON: You are hereby required to appear and answer the complaint of the above plaintiff in the above entitled court, now on file with the clerk of said court, within

ten days from the date of the service of this summons upon you, if served in Jackson County, Oregon, but if served in any other county in the state of Oregon, then within twenty days from the date of the service of this summons upon you; or if personally served on you out of the state of Oregon, then within six weeks after the date of such service; and if served by publication thereof, then within six weeks from the date of the first publication; and you are hereby notified that if you fail to appear and answer said complaint, as hereby required, the plaintiff will apply to the court for the relief prayed for in her complaint, to-wit: For a decree of the court that the defendant have no estate, or interest whatsoever in or to the following described premises, situated in Jackson County, Oregon, to-wit:

Beginning at the southwest corner of lot formerly owned by Hiram Farlow in the city of Ashland, Jackson County, Oregon, situated on the northerly side of Church Street, and designated as the Farlow lot on the official 1883 map of said city; thence westerly along the northerly side line of Church Street 209 feet; thence northerly at right angles to the first described course 104.5 feet; thence easterly parallel to the first described course 299 feet; thence southerly 104.5 feet to place of beginning, containing one half acre of land. The above described tract is designated as the McHatton lot on the above 1883 map of Ashland, Oregon. Excepting and reserving a strip of land fifteen feet in width off the easterly side of the above described tract which has been deeded and now used for street purposes.

That the title of the plaintiff is good and valid in said premises; that

the defendants be forever enjoined and debarred from asserting any claim in or to said land and premises adverse to the plaintiff.

Under and by virtue of an order made by the Hon. F. M. Calkins, Judge of this Court, dated the 2nd day of July, 1921, this summons is served on the defendants by the publication thereof for six successive weeks in the Jacksonville Post, a weekly newspaper printed and published at Jacksonville, Oregon, and the defendants by said order are required to appear and answer within six weeks from the date of the first publication hereof.

Date of first publication, July 9, 1921.

Iron Rust Proof.

To make ironwork proof against rust, heat it until it is almost red hot and then brush it over with linseed oil. This makes a varnish which, unlike ordinary paint or enamel, does not chip.

Dangerous Natural Gas.

One of the disadvantages of natural gas localities is that the filtered gas has practically no odor and leakages are, therefore, undetected. Gas has been discovered to be nearly always present in buildings fronting on asphalted streets.
