Town Bars Sunday Movies.
 Palmyra, Mo.—A "blue law" prohibiting moving picture shows on Sundays was adopted here.

A HARDING TROOP.
 Troop number 12 of Kewanee, Ill., has been reorganized and is now known as the Harding Troop. On organizing, the scout scribe wrote to President Harding asking for an autographed photograph if he cared to send one to the troop that was named after him. The President "came across" and the troop is now the proud possessor of a large photograph which bears the inscription "With Salutations to Harding Troop, Boy Scouts, Warren G. Harding."

No Stairs or Elevators.
 Apartment houses have been constructed in Seattle which have no stairs or elevators, the ramp system being used, and it is said to meet with entire satisfaction from every standpoint. Hot water is secured by burning the refuse of the house in incinerators. The ramp is a series of gradual inner inclines from one floor to another.

China Clay.
 China clay is nothing but decayed granite and much of it is dug up from pits in Cornwall, England. It is mixed with water and run into a series of ponds, where the heavy impurities sink to the bottom, leaving a thin paste of fine clay. When this settles it is dried into bricks, ready to go to the potteries.

Superstitions About Leeks.
 Leeks are supposed to be harbingers of good fortune in Wales, and when one finds a leek growing on the wall about the house there is expectation of some great happiness coming to the inmates. In olden times the leek was supposed to keep witches away.

St. Elmo's Fire.
 The finest displays of St. Elmo's fire are not seen on the masts and spars of vessels at sea, but on high mountains, where they have sometimes been observed to last as long as eight hours. They are especially common during snowstorms.

The Wise Man.
 The wise man is equal, ready, but not officious; has in every thing an eye to sure-footing; he offends no body, nor is easily offended; and is always willing to compound for wrongs, if not forgive them.—William Penn.

Only Two Specimens.
 There are two kinds of men—those who do what their wives tell them, and those who never marry.—Smart Set.

Lucky For Anne!
 Salesman (lately promoted to antique department)—"This chair, madam, was originally made for the duke of Buckingham, who gave it to Anne of Austria. We're selling quite a lot of them."—London Bystander.

The Difference.
 The young hate work, but it is the last pride, the last joy of the aged that they are able to do it.—Atchison Globe.

Reality Versus Romance.
 Occasionally a girl may fall in love at first sight. But more often in the first time a girl sees a man, she laughs.

Red Cross BALL BLUE
 used for baby's clothes, will keep them sweet and snowy-white until worn out. Try it and see for yourself. At grocers

Cuticura Soap
 The Velvet Touch For the Skin
 Skin, Ointment, Talcum, etc. everywhere. For complete list of Cuticura Laboratories, Dept. X, Malden, Mass.

Remove Grease Before Lacquering.
 It is possible to protect polished metal surfaces by applying several coats of cold lacquer or celluloid varnish. The lacquer should be applied with a brass camel's hair brush, after the metal has been highly polished. There must be no trace of grease on the brass or other metal when it is lacquered.

To Have a Clear Sweet Skin.
 Touch pimples, redness, roughness or itching, if any, with Cuticura Ointment, then bathe with Cuticura Soap and hot water. Rinse, dry gently and dust on a little Cuticura Talcum to leave a fascinating fragrance on skin. Everywhere 25c each.—Adv.

Their Other Name.
 Little Grace had been given some forget-me-nots by one of the neighbors and she came running to her mother with them, saying: "Oh, mamma, look at the think-of-mes Mrs. Brown gave me!"

To Clean Leather.
 The leather on furniture should be rubbed over occasionally with a cloth slightly dampened with oil or with a good leather polish.

Center of Perfume Industry.
 The center of the natural perfume industry has been for many years in Grasse, France. Here each year more than 5,500,000 pounds of orange blossoms, 4,400,000 pounds of roses, 1,400,000 pounds of jasmine, 800,000 pounds of violets and 80,000 pounds each of tuberose and cassia are used.
