New Half-Dollar Design Was Not U. S. Creation

Washington.—Treasury officials have placed responsibility for selecting the design of the half-dollar memorializing the tercentenary of New Netherlands and the arrival of the Huguenots in America, on the committee in charge of the tercentenary celebration and the Fine Arts commission.
Robert J. Grant, director of the mint, explained that the design was forwarded to him by the committee and was

submitted by him to the commission, which returned it with one or two changes. It then was approved by them and Secretary Mellon.
Officials of the mint showed much interest in The World editorial recently quoting Doctor Zwierlein of Rochester as seeing "Protestant propaganda" in the fact the coin was stamped with the simulacra of William the Silent and Admiral Coligny.

MAIN DISHES
A GOOD, substantial dish which is not hard to get ready for a good-sized family is

Alaskan Dish.
Cut two pounds of round steak into eight pieces for serving. Dice one-half pound of salt pork. Cook the pork, one cupful of minced celery and one large onion in the pork fat. Fry the steak until brown on both sides, add to the rest of the ingredients, blend two tablespoonfuls of fat with the same of flour, pour over the meat and simmer all together for thirty minutes. Just before serving add one cupful of cooked spaghetti and one pint of stewed tomatoes. Serve on hot platter.

Panned Oysters.
Scald one cupful of oysters. When the edges curl, remove them from the liquor. Take one tablespoonful of butter creamed with two of flour, add one cupful of milk and cook until thick. Add one-half cupful each of broken nut meats and chopped celery. Season to taste and add the oysters. Remove the tops from rolls, scoop out the soft part, toast the tops and shells and fill with the oysters. The shells may be well buttered with soft butter before filling, adding to the daintiness of the dish.

Baked Lima Beans and Tomatoes.
Soak a pound of beans overnight, parboil for five minutes or longer to soften, rinse and cook until tender. Add one teaspoonful of salt to each quart of water used. Season a pint of tomatoes with salt and pepper and onion juice. Add it to the drained beans. Put into a beanpot with two thick slices of bacon or salt pork and bake until the bacon is crisp and brown.

Fricassee of Tongues.
Sheep's tongues or small calves' tongues may be used. Take four, cover with boiling water and simmer until tender, adding a few cloves and a small onion; season with salt when nearly done. Remove, cool, skin and cut lengthwise; season well. The next day, roll the tongues in flour and fry in butter and chopped onion until brown. Serve with a brown sauce seasoned with a dash of lemon juice. Serve with hot boiled rice.

THY NEIGHBOR AS THYSELF

By DOUGLAS MALLOCH

"LOVE thy neighbor as thyself." The holy Scriptures run; We wish the Lord would tell us though, Just how it can be done. For there are often neighbors near, There may be neighbors even here, A few that we could tell you of We find it very hard to love.

"Love thy neighbor as thyself?" But what about the kind Who speak so sweetly to your face And otherwise behind? And what about the neighbors who Are always borrowing from you? And neighbors who run in and stay Upon your very busy day?

"Love thy neighbor as thyself?" The ones who keep a flock Of chickens that will crow and cluck At half past four o'clock? And folks who let the baby cry. To find the trouble never try? And folks who play—yes, what of them? The phonograph at 2 a. m.?

"Love thy neighbor as thyself" And live in sweet accord. There's only one thing we can think To make us do it, Lord: There are some neighbors we could love Just like the cooling turtle dove If on some bright and sunny day They'd only up and move away. (© by McClure Newspaper Syndicate.)

Something to Think About

By F. A. WALKER

LIGHT OR DARKNESS
IT IS for you to choose whether you shall make your dwelling place where the sunbeams are, or where the shadows lie.

From those rational individuals who mark upon a scale the division between light and darkness, to those who never give thought to the matter, time slips away with the same precision, caring not who makes use of the precious minutes or permits them to go to waste.

The man who wanders about in the gloom, indifferent as to the direction he is traveling, is heading straight for the dismal land of nowhere. He is the frowning, fault-finding man, blaming others for his falls and bruises. He lives in perpetual darkness and thinks darkly.

The world has too many such men, too many women of the same miserable type, stubbing their toes in the dark simply because they stubbornly refuse to lift their eyes to the guiding light and let reason illuminate their souls with glorious faith and hope.

Everywhere they go, they take with them the clammy chill of midnight. Their presence is oppressive, though they cannot be made to believe it. They are important to themselves, but fall to impress their importance upon those who consistently press forward among the industrious on the great sun-lighted highway making the best use of their talents.

Anybody, it is supposed, can say what he means, but if you will take time to converse with one of these benighted mortals and seek to draw him out, you will find that in his case the hypothesis is not true.

It takes the genial sunlight to crown the orchards and the fields with fruit and grain. And just so does it require a spiritual sun to bring forth the goodness in man and loosen his tongue to utter words of cheer and wisdom.

The sunny men and women make the best of things, even when their world is gray and cheerless. All that is beautiful, inspiring, lovable and noble, comes from their enlightened minds, indulgent to the wayward, sympathetic to the unfortunate, benevolent and merciful.

Into the world's darkest places, into the gloomiest hearts, these humane men and women scatter sunshine without reserve. Who does not bless them?

Has Anyone Laughed At You Because—

By ETHEL R. PEYSER
You always pledge at mass meetings? Haven't friends said to you: "What, another mass meeting? Are you going to get up and pledge another week's salary; never saw such a pledger?" Let them laugh, it's but a mirth screen for their own disinclination to give! You have enthusiasm, you have interest outside yourself, you are not selfish and petty. They are the fledglings to your pledging! Keep up your good work—going will never make you less big and interests will never dry you up!

SO
Your get-away here is: Keep it up—you have been as a ship to a drowning, struggling finance committee. (© by McClure Newspaper Syndicate.)

STATE NEWS IN BRIEF.

Salem.—The Salem Shrine club, at a meeting held here Friday night, decided to stage a Shriners' circus in Salem, April 29 to May 3.

Tillamook.—The Pacific Telephone & Telegraph company is planning a large construction program for Tillamook county for the summer of 1924, according to E. G. Munson, manager of the local exchange.

Tillamook.—Plans are being made by St. Albans mission, which is identified with the Episcopal diocese of Oregon, to erect a parish house and church building in the near future on the property, recently purchased, at Sixth street and Third avenue east.

Albany.—About 200 Oregon Agricultural college students in the history morning to study the historical relics morning to study the historical relics in the two local museums. In the afternoon the party went to Tangent to visit the old Indian mounds in that vicinity.

Salem.—The Oregon exhibit, which has been in Portland for a number of years, is being transferred to Salem and will be placed in the lower corridor of the state capitol. The exhibit includes numerous varieties of wood, ores, fruits, grasses, grains, wool and other products typical of this state.

Salem.—State traffic officers working under the direction of T. A. Raffety, chief inspector for the state motor vehicle department, caused delinquent fees in the amount of \$7357.15 to be collected in March. Fines imposed during the month as the result of state traffic officers' activities aggregated \$3129.35.

Salem.—Oregon, with a population of 783,389, has \$400 per capita based on the resources of the 281 banks now in operation, according to a report prepared Friday by Frank Bramwell, state superintendent of banks. Resources of the Oregon banks total \$312,216,530.70, with an average population per bank of 2752.

Salem.—E. A. Clark, president of the Kings Products company here, has purchased the Hubbard berry pool for 1924. The pool includes approximately 125 tons of berries. With the exception of 15 tons of cherries the entire pool will go to the Kings Products concern. The deal was negotiated through W. L. Bentley of Woodburn.

Marshfield.—With the water about 40 degrees above zero Sunday, Rev. J. D. Chappelle baptized a few of his flock in the Pacific ocean, following ceremonies on the beach at Bastendorf's. Notice of the service at the beach drew a large congregation of outsiders and the novelty of ocean baptismal was observed by folk from all about the bay.

Salem.—A check of the senior classes of the standard high schools throughout the state shows that there will be graduated from the public high schools in Oregon this year a total of 4684 pupils. Of these 1977 or 42 per cent are boys and 2707 or 58 per cent girls. The check was made by J. A. Churchill, state superintendent of public instruction.

Tillamook.—Four business houses on Tillamook's main street were seriously damaged by fire late Sunday. The loss was estimated at \$15,000. Tourist cafe, Plasker music house, Dawson & Dunn grocery and Palm confectionery, all frame structures, were ablaze and nearby buildings were threatened by flames which were favored by a stiff northwest wind.

Vernonia.—Advices received from the Columbia county court state that the Vernonia road district will receive more general and special road funds than any other section in the county. This is because the district comprises practically all of the standing timber on the Nehalem water shed. According to the latest assessment, it has an assessed valuation of approximately \$4,500,000.

Salem.—Grange organizations from many sections of Oregon have accepted invitations to join in the automobile caravan which will leave the state fair grounds probably July 1 for a trip through many counties in the western part of the state. It has not yet been determined how much time will be required to complete the trip, but it was predicted that the grangers would be on the road for a week.

Klamath Falls.—Coming on the heels of recent statements by President Sproule of the Southern Pacific that Klamath Falls was the second largest freight shipping point in Oregon in 1923, a statement covering last year's shipments on the Klamath line has been completed by J. J. Miller, district freight and passenger superintendent, showing 13,700 carloads of freight shipped from Klamath in 1923.
