In an address in Portland Saturday Rev. S. W. Rosenberber, a noted lecturer, said: "In plain, old-fashioned worry is found the greatest fault of modern women. There are a large number of women who worry so much over the cooking that they fail to enjoy the eating. They worry so much over keeping house that they fail to make a home. They worry so much about making a living that they forget to make a life. Worry accomplishes nothing and relieves not, but only adds to our trouble. It causes us to lose the best there is in life and prevents us from giving our best to others."

We are much gratified to learn that County Judge Gardner has filed for the nomination for County Judge on the Republican ticket, subject to the May primary. Mr. Gardner has filled this position very well, indeed, and the continuation of progress in the county dictates his return to office. Cheers and a tiger for Judge Gardner—he ought to be elected to this office for life. —Medford Record Herald.

The April number of The Volt, Copco's official publication is designed to further the aims of "Forest Protection Week" which has been proclaimed by President Coolidge to be April 21 to 28. It not only accomplishes this purpose in an interesting and effective manner but presents at the same time a comprehensive survey of the foremost industries of the Rogue River Valley.

It's a toss-up as to which is the toughest trio—the De Autremont Bros. or Jones Bros.

Now stand from under and watch old J'ville come out of its 30-year trance.

(Paid Advertising)

### Cambers for Sheriff

To the Republican Electors of Jackson County, Oregon:

I hereby announce myself as candidate for the office of Sheriff of Jackson County, subject to the wishes of the republican voters at the primary election on May 16th.

In announcing my candidacy I wish to state for the information of the voters that I have had four years' clerical experience in the auditor's and recorder's office of Churchill county, Nevada; that I also served four years as sheriff of said county, and feel that I am eminently qualified to fill the position.

I strongly favor law enforcement, especially the liquor laws, the violation of which has become a great menace to the commonwealth. I also favor the enforcement of the motor vehicle law to the end that the lives of people and property may be protected from the acts of careless and reckless drivers.

I shall, if elected, bestow special attention to the matter of collecting taxes, and the executive duties of my office.

J. J. CAMBERS.

### For Sheriff

At the earnest solicitation of many friends, I have finally consented to place myself before the Republican voters for the office of Sheriff, believing that the efficient, orderly and economical manner in which my office has been and is now conducted, warrants my re-nomination. If elected I promise to continue my present policies of law enforcement, efficiency, economy and strict attention to duty in the affairs pertaining to the office.

C. E. TERRILL.

### For County Judge

Believing that I may be of service to the people of Jackson county I hereby submit my candidacy for the republican nomination for Judge of the County Court at the May Primaries.

W. J. HARTZELL.

### For County Clerk

I am a candidate for the office of County Clerk, on the republican ticket, subject to the primary on May 16. If elected I will give to the office that high degree of efficiency which the people are justified in demanding of a public official.

CARL Y. TENGWALD, Medford.

### For County Clerk

I am a candidate for the republican nomination for county clerk at the primary election to be held May 16th. If elected I promise to perform the duties of the office in a business-like manner and will aim to keep it up to its present high standard of excellence.

## Speaking Directly Into the Transmitter

Clearness and distinctness of speech is of course the foundation of a satisfactory telephone conversation.

The transmitter of the telephone is the result of years of study and experimentation by telephone engineers. It is of delicate adjustment and its fullest effectiveness can only be obtained through proper use.

The lips should not be more than an inch from the transmitter, and the voice should be clear, not loud.

Speak directly and distinctly into the mouthpiece. This will mean your satisfaction and that of the person with whom you are talking.
