RUPTURE

Expert Coming To MEDFORD

Will Give Free Demonstration MONDAY and TUESDAY on July 28 and 29

At Holland Hotel from 10 a.m. to 4 p.m.

Two Days Only

On above date the noted rupture appliance expert, C. F. Redlich, will give a free demonstration.

"You will at once realize the difference between his highly efficient, absolutely sanitary appliances and the inefficient uncomfortable, smelly and thoroughly unsanitary elastic web trusses with their bulky, plainly visible pads and their abominable chafing leg-straps or the various mail order steel or wire trusses which never fit right. All of these unscientific devices make your rupture steadily worse instead of better, as you well know. Mr. Redlich's appliances, scientifically fitted by an expert in person, will give security and comfort for years to come, not only to those with recent and small ruptures, but also to old, neglected cases. They are by far the cheapest in the long run.

Many ruptures are now healed by these improved mechanical methods which formerly necessitated operations; but do not delay.

Children should never carry a rupture into manhood or womanhood, as they can be easily restored to a normal condition by a proper mechanical method. These clean and sanitary devices will here be most appreciated.

It will not cost you anything to be shown and a visit may mean a great deal to you and those dependent on you.
