EACH SHARE is a diversified investment

Large investors look
for a diversified field

What about the *smaller* investor—the man or woman who seeks the same safety for a few hundred dollars in idle cash, or from five to fifty dollars a month?

7.14% from POWER

The California Oregon Power Company 7% Preferred Stock (yielding 7.14% at its present price of \$98 a share) earns its dividends from *widely diversified sources*.

Its income of nearly a million and a half a year comes from many thousand homes and establishments in Oregon and California.

Hydro-electric power from its 9 power plants supplies the needs of mills, mines, farms, factories, industries and stores of every kind. Copco electricity lights the lamps of your home, of your neighbor's, and of thousands of other homes you've never seen.

Whether you own one share or a hundred, *each single share* of Copco Preferred Stock is a thoroughly diversified investment.
