Read the following:
 PORTLAND, OREGON, May 22, 1876.
 W. F. BRAYTON—Dear Sir: Without the least
 exaggeration, I can truly say your Colby Washer
 supplies more perfectly the need we in the
 kitchen had so long felt than any Machine I have
 ever before used. Our grandchild, but four years
 old, turns it to wash stockings (being first teach-
 ed together to form a long string), adjusting
 them herself.
