"A MERRY CHRISTMAS TO YOU."

REMEMBER THE 15TH.

Our subscribers will please bear in mind that up to January 15th we shall receive new subscriptions or renewals for 1879 for \$1.50. On January 16th the price of THE WEST SHORE will be raised to \$2 per year. All those whose subscription expires with this number,

will do well to renew at once. Hereafter our volume will begin with the January number of each year, and during 1879 we shall endeavor to make our publication of more than ordinary interest, as the increase in the subscription price will enable us to add many new and valuable features. To

encourage our friends in making up clubs for us, we shall continue to give away newspapers and magazines, as advertised on page 127 and during the month of January our rates for clubs will remain at \$1.50 for each subscription.

Look out for the January number.
