**PURE EULACHON OIL**

Procured from the Eulachon Fish, (*Thaleichthys Pacificus*.) This is a small fish, frequenting some of the waters of British Columbia. The taste of this Oil, owing to the careless manner in which it has been prepared by the natives has prevented its use as a remedy, excepting by themselves. Its extraordinary efficacy for all ailments in which Cod Liver Oil has proved so beneficial, induced Messrs. Langley & Co., of Victoria, to employ killed Oil Extractors, and now, by an improved process, a very superior product is obtained, free from objectionable taste or smell. It will be found more palatable than Cod Liver Oil, also, less costly and well worthy of a trial. A supply will be found at Hodge, Davis & Co.'s, who have been appointed agents for its sale in Oregon.
