

*Oriental Journal*, published by Jameson & Morse, 164 Clark street, Chicago, Ill., edited by Rev. S. D. Poet, Clinton, Wis. \$2.00 per annum.

The object of this Magazine is to give the results of the researches in Archaeology in all Eastern lands, and to present the various phases of thought which may arise from Oriental studies, especially as they bear on the sacred Scriptures. Rev. Selah Merrill, D. D.; Rev. Howard Crosby, D. D.; Rev. Lyman Abbott, D. D.; Rev. A. H. Sayce, F. R. S.; Rev. J. O. Payne, D. D.; Rev. James Strong, D. D.; contributors.

We call especial attention to Messrs. Hodge, Davis & Co.'s advertisement of the Oregon Kidney Tea in this issue. It is a home production, and is having an immense sale in Oregon and Washington, and many orders have already been received from Idaho, Montana, Arizona and California. The array of testimonials which they present will convince any one that the Tea will do all they claim for it.

First premium awarded to Abell for the best cabinets, cards, and retouched photographs, at the late State Fair.

We take pleasure in calling attention to Dr. A. Y. Boyce's Tonic Bitters. They are said to be an excellent remedy for Dyspepsia, Chills and Fever, and as a Tonic they cannot be excelled. They will give new life to the Stomach and Liver, acting like a charm. They increase the Appetite, invigorating the whole System.

If these Bitters are used as a Preventive, there is no need of paying Doctor bills, as they keep the System in perfect order. They are not intended as a beverage, but as a safeguard. They are put up at Hillsboro, by Dr. A. Y. Boyce.

Buchtel, the "old stand-by" of photographers, is still on deck at his elegant gallery, corner First and Morrison streets, where he is prepared to take all kinds of pictures, in the most approved style of the art.
