

# The Oregon Kidney Tea!

The most wonderful

## MEDICAL DISCOVERY

Of modern times!

We Challenge the World to produce its Equal!

It is a strictly vegetable production and will not injure the smallest child, nor the most delicate woman, but will cure **Pain in the Back and Kidneys, non-retention of Urine, Diabetes, Inflammation of the Bladder or Kidneys, Brick Dust Deposit in Urine, Leucorrhoea, Painful or Suppressed Menstruation, Nervousness**, and all complaints arising from a diseased or debilitated state of the Kidneys or urinary organs of either sex.

Many mistake the pains arising from defective action of the Kidneys for **Rheumatism**, and in attempting to cure the latter by outward applications, fail entirely to reach the seat of the disease. We do not offer the **Oregon Kidney Tea** as a specific for **Rheumatism**, but are satisfied that many cases of so-called **Rheumatism** would yield to its remedial virtues.

The leaf is put up in air tight tin caddies which preserve intact its peculiar medicinal properties and the decoction is made by the person using it, thus securing its absolute purity. To meet the wants of travelers and those whose manner of life renders the preparation of the Tea inconvenient or impossible, we have, at great expense, put up a **Concentrated Extract**, which will be found to contain all the virtues of the herb in a form convenient to carry and pleasant to the taste.

There are thousands afflicted with diseases of the kidneys or urinary organs who suffer in silence rather than to make known their troubles. Others seek relief by the use of various patent medicines, which, if they do not aggravate the disease, at least do not lessen it. Even those who secure the advice of physicians often fail to get relief, owing to the very complicated and delicate nature of the organs affected.

Read the following testimonials, not from persons 2,000 miles away, whom no one knows, but from well-known and trustworthy citizens of Oregon, whose names, written with their own hands, can be seen at our office:
