## The Original Oregon Botanical Remedies.

Prepared Only by Wm. Pfunder, Operative Chemist.

Why we, the people of the Pacific Coast should any longer be pestered with worthless nostrums, made fifty years ago out of the Rocky Mountains, and that too, by persons who never even knew chemistry by its name proper, much less its wonderful workings. This question suggested itself years ago to Wm. Pfunder, the only operative chemist in Oregon. The result was that this gentleman applied himself to a great and tedious research of the different vegetations, growing in immense quantities, especially in Oregon, but shedding--until his discoveries--all their virtues from year to year to no other earth. His tedious researches, scientific applications, and proper combinations, culminated in the production known to-day as the **OREGON BLOOD PURIFIER**, *Progressa, laboris et scientia, extractum concentratum, nominis Pfunderii Oregonense formator.*

Experience makes the master. Having had experience with very difficult medicines, chemicals, etc., for over 25 years, and having mastered them all through hard study, both here, and in the East and in Europe, we can confidently recommend our Botanical Remedies, because we have extracted, may "wrenched" from the very heart-strings of hidden nature, all that is good and beneficial to suffering humanity, and leaving the Empty Shells and Worthless Leaves to imitators, great and inexperienced.

**WM. PFUNDER'S OREGON BLOOD PURIFIER** will positively be found a valuable remedy for chronic constipation, affected kidneys, dyspepsia, liver complaint, rheumatism, scrofula, and all other diseases having their origin in impure blood.

(One of Many.) **ROSENBERG**, Oregon, January 23, 1880. A few bottles of your indeed valuable medicine, called **PFUNDER'S OREGON BLOOD PURIFIER** have entirely cured my Rheumatism of 10 years standing, and other acquaintances speak very highly about it, performing a cure in every instance. Such a blessing should be made known to all sufferers, hence I make the above statement.

**LYMAN PAGE**, Esq., Contractor, 25 years a resident of Portland, says: For 12 years I suffered from liver complaint--tried everything. Cured with 6 bottles of **PFUNDER'S OREGON BLOOD PURIFIER**.

I read about it, tried it, and am still using it when occasion requires. What! The **OREGON BLOOD PURIFIER!** Such are the words of one of our lady lecturers. All ladies will understand what it means.

For shame young man! Get a bottle of **PFUNDER'S OREGON BLOOD PURIFIER**. Use it; those pimples will leave your otherwise finely shaped foreclean! A girl, too, young lady; you also try a bottle of this really invigorating remedy, and regain that natural bloom on your sweet face, which no paint or powder can imitate.

The cause of general debility removed in a short time, rapid gaining of flesh, improved complexion and good health. I sold my last bottle of **Pfunder's Oregon Blood Purifier** to Doctor Amey of this place, whose wife has been suffering from general debility for over one year, although the Doctor tried his best to cure her. After using your remedy the patient felt better, so much so that the doctor writes me dates of this truly good medicine, which please send in my care at once. This is an extract received from Mr. Ross, Forest Grove, Oregon.

**J. Frederick Ruegg**, of Multnomah county, State of Oregon, certifies by oath that **Wm. Pfunder's Oregon Blood Purifier** has entirely cured me of a skin disease, produced by poison oak. Although I had applied to several physicians for relief, none of these gentlemen could do me any good, and I herewith recommend the **Oregon Blood Purifier** to all suffering with such skin diseases. Signed: **J. F. RUEGG**.

**SEA SICKNESS**--I need to dread it--on sea voyages; but now, since I take **Pfunder's Oregon Blood Purifier** I do not feel the least inconvenience. Use a dose or two before going on board and same after leaving vessel.

Look at him--that sallow skin leather face--that dull red rimmed eye--that slouching walk--yes, look at him well. He is a dyspeptic. Now look at this man. Elastic step, bright eye, healthy complexion--how is this? Well, he uses **Pfunder's Oregon Blood Purifier** and a thing else.

My physicians told me the only chance of my getting better would be a change of climate. Accidentally I came across a bottle of **Pfunder's Oregon Blood Purifier**, used it, and following directions by using a bottle of the **S. S. S. Fever and Ague Mixture** in addition, I am perfectly healthy now, and thus capsize the theory of my physicians. Signed: **GEORGE GREEN**, Mail Carrier, U. S.

Ladies in that delicate state--never to be reversed--but ever creating nausea, will find speedy relief by using **Pfunder's Oregon Blood Purifier**.

**Pfunder's S. S. S. (safe, sure, speedy) Fever and Ague Mixture Certificate.** I suffered some time with, what I was told, malarial fever, accompanied with pain in my head, back, in fact, felt pain all over. Not getting any better after using all kinds of medicines, I tried **PFUNDER'S FEVER AND AGUE MIXTURE**, and gained rapidly in health. Signed: **MARIE WEISS**, Seventh and U. streets, Portland.

The different Constitutions. The Constitution of the United States, that master piece of human brain. How is your constitution? If bilious, use **Pfunder's Oregon Blood Purifier**, the triumph of modern science.

The **PHYSICIAN'S CURSUS**--Fishes, bitters, sugar-sarsaparilla, watered bad whiskeys and pills made B. C.--hard as rock, are the cause, the reason, that to-day our people suffer more from liver complaint, poor digestion, etc., than any other nation. The idea of giving our working population such trash, and magnifying that trash by calling it derived from iron containing medicines; here, where nature's products are abundant, and very nutritious. Eat our Columbia River salmon; eat that splendid beef derived from cattle feeding on bunch grass; those vegetables at once healthy and within the reach of everybody, and then laugh at those purile parts of ignorant, incompetent parties trying to force iron into your system. All you want--you, who constitute the mass of the people is, to get your liver into working order, and there is no other or better remedy than **PFUNDER'S OREGON BLOOD PURIFIER**. Price, per bottle, one dollar. Five dollars for half a dozen.

Your Druggist has it or will get it for you. "The Original." Insist upon having it!
