PURE EULACHON OIL

Procured from the Eulachon Fish,
(Therichthys Pacificus.)
This is a small fish, frequenting some of the
waters of British Columbia. The taste of this
oil, owing to the careless manner in which it has
been prepared by the natives has prevented its
use as a remedy, excepting by themselves. Its
extraordinary efficacy for all ailments in which
Cod Liver Oil has proved so beneficial, induced
Messrs. Langley & Co., of Victoria, to employ
-killed Oil Extractors, and now, by an improved
process, a very superior product is obtained, free
from objectionable taste or smell. It will be found
more palatable than Cod Liver Oil, also, less
costly and well worthy of a trial. A supply
will be found at Hodge, Davis & Co.'s, who have
been appointed agents for its sale in Oregon.
