**KENDALL'S
SPAVIN
CURE.**

The Most Successful Remedy ever

and does not blister. READ PROOF
BELOW.

From Rev. P. N. GRANGER,

Presiding Elder of St. Albans' District

ST. ALBANS, VT., Jan. 20th, 1880.

DR. B. J. KENDALL & Co., (Sirs): In reply to
your letter I will say that my experience with
Kendall's Spavin Cure has been very satisfac-
tory, indeed. Three or four years ago I procured
a bottle of your agent, and with it cured a horse
of lameness caused by a spavin. Last season
my horse became very lame and I treated him
out for a few weeks when he became better, but
when I put him on the road he grew worse, when
I discovered that a ring-bone was forming, I pro-
cured a bottle of Kendall's Spavin Cure and
with less than a bottle cured him so that he is
not lame, neither can the bunch be found.
Respectfully yours, P. N. GRANGER.

Statement Made Under Oath.

To WHOM IT MAY CONCERN.—In the year 1875
I treated with Kendall's Spavin Cure, a horse
spavin of several months' growth, nearly half
as large as a hen's egg, and soon lately stopped
the lameness and removed the enlargement. I
have worked the horse ever since very hard, and
he never has been lame, nor could I ever see any
difference in the size of the hock joints since I
treated him with Kendall's Spavin Cure.
