Needles!
Are the Best!

BECAUSE they are made from the best cast steel.

BECAUSE they are longer pointed and smoother finished than any other makes, so as to sew easier.

BECAUSE the eyes are drilled smooth, and are the proper shape to fit thread without cutting it.

BECAUSE they are stuck in papers apart to prevent rust in handling.

BECAUSE they have stood the test against all brands for more than a third of a century, and received the award at the International Exhibition of 1876.
