## These Men and Women Differ in Character.

ALL THESE WOULD YOU NOT LIKE TO KNOW (FROM LIFE) what these Faces indicate? You can easily learn to read them as you would a book, and **IF YOU WANT SOMETHING**

that will interest you more than anything you have ever read and enable you to understand all the differences in people at a glance, by the "SIGNS OF CHARACTER," send for a copy of **"HEADS AND FACES; How to Study Them."**

A new Manual of Character Reading for the people, by Prof. Nelson Sizer, the Examiner in the phrenological office of Fowler & Wells Co., New York, and H. S. Drayton, M.D., Editor of the PHRENOLOGICAL JOURNAL. The authors know what they are writing about, Prof. Sizer having devoted nearly fifty years almost exclusively to the reading of character, and he here lays down the rules employed by him in his professional work.

This is a most delightful study and every one should know "How to Read Character," and in this way be able to understand the motives and character of people met daily. This knowledge will enable employers to choose wisely and will enable employes to meet the requirements of peculiar people whom they may be required to please.

A knowledge of Human Nature would save many disappointments in social and business life. This is the most comprehensive and popular work ever published for the price, 75,000 copies having been sold. Contains 200 large octavo pages and 250 portraits. Send for it and study the people you see and your own character, and if you are not satisfied after examining it, money will be returned to you.

We will send it carefully by mail, postpaid, on receipt of price, 40 cents in paper, or \$1.00 on heavy paper, in extra cloth binding. Agents wanted. Address **FOWLER & WELLS CO., Publishers, 777 Broadway, New York.**

N. B.—If you will state where this advertisement was seen, we will send you free a sample copy of the PHRENOLOGICAL JOURNAL, published monthly at \$1.50 a year, 15 cents a number.
