## ELLENSBURGH, WASHINGTON,

The Central City of the new state has more varied Resources than any city of 8,000 population in the Pacific Northwest.

First, agricultural. Second, stock. Minerals well developed, gold, silver, copper, lime, marble, but the greatest is iron and coal in untold quantities. Over 2,000 tons of coal mined daily in this county, which comes to and through Ellensburg, the distributing point for all the mines in Central Washington. Nearly \$1,000,000 have been expended in brick buildings since our big fire last July. Real estate, and especially business property, has no value compared with other cities of half the importance. In less than five years the population will outnumber 20,000. 80 per cent. increase in population means at least 800 per cent. on investments. Men of nerve and brains, I invite you to come and personally examine. I refer by permission to Ben E. Snipes & Co., Bankers, and the Ellensburg National Bank. Respectfully yours,  
GEO. W. ELLIOTT, Investment Broker,

## I CURE FITS!

When I say cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long struggle. I warrant my remedy to cure the worst cases. Because others have failed it is no reason for not now receiving a cure. Send at once for a treatise and a Free Bottle of my medicine ready. Give names and Post Office. L. G. MOORE, M. C., 183 Front St. New York.

### CONSUMPTION SURELY CURED.

To the Editor:—

Please inform your readers that I have a positive remedy for above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy free to any of your readers who have consumption if they will send me their names and P. O. address. Respectfully,
