and save the retailers' profits. There is no reason in the world why Ladies' Suits and Wraps should not be sold on the same close basis as flour or cotton cloth. And yet they are not. The average retail dealer in Ladies' Suits demands very much more than a fair profit, and that is why we have decided to deal direct with the consumer and prove by our prices that it can be done to the consumer's great gain. Our wholesale trade for the season is practically over, and from now until Sept. 1st we shall devote all our vast manufacturing facilities to retail orders. The suit illustrated is a very fair example of what can be saved by ordering direct from the maker. It is made of Cashmere, in black, brown, navy, green, tan, garnet and gray. The waist can be had with plain or puffed sleeves, and there is a trimming on each side of the skirt and waist, with moire or striped satin combination. The price of the suit complete (any size), is only \$8.50. We will furnish samples on application.

Regarding our responsibility, we refer by permission to the American Express Co. Send waist and bust measurements, also length of skirt, when ordering.

We also make up other suits and cloaks, and will cheerfully furnish any samples or estimates.

Remit by American Express money order, P. O. money order, cash in registered letter, check or draft on New York.
