Said Captain Flit to Sharp, the mate.
"Please tell me what's the weather's state."
"It's raining cats and dogs quite fast—
A bark and yawl have just gone past."
Light.

Mrs YOUNGBRIDE—Well, darling, how is breakfast this morning; better than yesterday?

Mr. YOUNGBRIDE—Oh, yes; very good; capital! Muskmelons seem rather soft, though.

Mrs. YOUNGBRIDE—Oh, dear! I can't understand that. I told the cook to boil them three minutes.—
America.

MISTRESS—Mary, what are you doing with that clock?

MARY (with the servants' bedroom clock under her arm)—Plaze, mum, Oim takin' it to a watchmaker's. It's all out av order, mum. Ivery morning at foive o'clock it goes all to paces, an' makes such a racket Oi can't slape.—*New York Weekly.*

The time is fast approaching when the visitor to the sanctum will step in smiling and confident, and just as he is about to say—

"Here is a little thing I have just dashed off," he will be paralyzed by a voice exclaiming in tones of thunder—

"Go back and shut the door!"—
Boston Courier.

"Please, sir, give me aid. My wife and children are starving."

"Who are you?"

"I am a knight of labor ordered out on a strike by our leaders."

"Well, I'm a walking delegate, on my way to Lenox to join my family, who are spending the summer there. I have no time to stop, but here's ten cents for you."—*Norristown Herald.*

A paper recently started in Idaho has for its motto: Grasp all in sight and hustle for more.—*Good News.*

FAIRHAVEN!

The Actual Pacific Coast Terminus of the GREAT NORTHERN Railway.

By Purchase, in June, 1890, of the Fairhaven & Southern Railroad, and Vast Terminals and Shipping Facilities, the Great Northern Railway has located its Actual Deep-Water Terminus at Fairhaven.

FAIRHAVEN'S WONDERFUL GROWTH.

In less than one year an almost impenetrable forest has been turned into a hive of industry. The solid foundation has been laid for a mighty city. Miles of streets have been graded, planked and lined with imposing structures, some of which have cost over \$100,000 each. The best electric light system of the Northwest, both arc and incandescent, is in operation. A \$100,000 water system, comprising some nine miles of mains, delivers the pure waters of a beautiful mountain lake, capable of supplying a city of 100,000 people. Four banks, two national, are established. Four saw and two shingle mills in operation fail to supply the demand. A \$100,000 hotel

being built of brick and stone is nearing completion. Several brick buildings occupied and more being erected. Population (U. S. census) 4,031. Assessed valuation over \$8,000,000. An Iron & Steel Company, with a capital of \$2,000,000, organized to work ores of Skagit mines. Its furnaces, rolling mills, etc., will be at Fairhaven. The Chuckanut stone quarries are one mile from Fairhaven. The Portland post office is built of this beautiful stone, and large quantities of it are being shipped to Tacoma, Seattle and elsewhere. Valuable minerals have been discovered in the Cascades on the line of the Fairhaven & Southern and prospecting is being actively prosecuted.

A Matchless Harbor with Room for the Shipping of the World.

Thirty-five ocean and coastwise steamers already touch regularly at Fairhaven's wharves. Over \$200,000 are being expended in extending these wharves and other shipping and terminal facilities. The three branches of the Fairhaven & Southern R. R. (now the Great Northern) are being pushed to speedy connections north, south and east. The direct outlets, northward via the Canadian Pacific, and southward via the Northern Pacific, Union Pacific and Southern Pacific, will be completed during 1890.

FAIRHAVEN is Actually Developing, on a Mammoth Scale, its Coal, Timber, Iron and Shipping Interests, and offers Unequaled Inducements to the Laborer, Capitalist or Manufacturer.
