THE WEST SHORE PAYS ALL EXPENSES.

The intense desire to view the natural wonders and the grand and beautiful scenery of the famous National Park of the Yellowstone is possessed by nearly every person in America, and nothing but the expense of making the trip to and from the park, as well as through it, prevents thousands from visiting it every summer. As it is, thousands of those who can afford to gratify their desires revel in its beauties annually. The West Shore has perfected arrangements whereby one of its readers can enjoy all the pleasures of a visit to this great workshop of nature free of expense, and it only remains to select the person who shall enjoy it. Although the excursion will be free, it will not be given to one who is not willing to show an earnest desire to receive it by working hard to earn it not with the hands alone, but with the brain. The person who will send us the longest list of words made from the name "Yellowstone Park," in accordance with the subjoined rules, will be given a free excursion and through the park. From any station on the line of the Northern Pacific railway, from St. Paul to Portland, the successful competitor will be taken up, given first class accommodations, including Pullman sleeper and meals in the dining car, taken to the park and through it and returned to the point of starting, free of all expense whatever incidental to travel. This includes hotel bills, stage fare for five days in the park, and everything that is a legitimate expense in making the trip.

In addition to this grand prize there will be given fifteen cash prizes to the fifteen next longest lists, one prize of \$25.00, one of \$10.00 and thirteen of \$5.00 each.

This is a purely intellectual contest, from which all competitors will derive much benefit, whether successful in winning prizes or not.

CONDITIONS AND RULES.

- The contest closes May 31, 1891.
- All lists must be accompanied by a subscription to the *The West Shore* for not less than six months, to be sent to some address not now on our list.
- Lists must be arranged in alphabetical order, with the total number of words noted at the end.
- Only words that can be spelled by using the letters contained in the name "Yellowstone Park" will be counted, and no letter can be used in one word more times than it occurs in that name.
- The latest edition of "Webster's Unabridged Dictionary" will be the authority for setting all contests. Not the "International" edition.
- Proper names and geographical names will not be allowed.
- Two words spelled alike, though having different meanings, will be counted as one word, and where a word is spelled in more than one way, but one spelling will be counted.
- Only English, or fully Anglicized, words, such as are given a separate heading in large type and are defined, will be counted. This excludes all words printed in italics in the unabridged dictionary, used as authority, or having this mark, "i" before them in the new International edition.
- Words marked (Obs.) in the dictionary will not be admitted.
- Only the singular, nominative of nouns; the infinitive form of the verb, without the word "to;" and the positive of adjectives, will be admitted.
- Prefixed and suffixes will not be admitted as separate words.

The result of the contest will be announced as early in June as possible, and the successful competitor can make the trip any time in June, July or August.

SQUEEZING THE MARKET.

"It must be nice to be a bear," said Amanda, softly, as she preempted another inch of Bibbins' half of the sofa.
"You think so?"
"Yes; it says in the paper that the bears on the market are being squeezed."
And then from the sofa came a sigh of satisfaction that denoted that in spite of the pressure no bear panic was imminent.—*St. Joseph News.*

People have been known to wait till planting season, run to the grocery for their seeds, and then repent over it for six months, rather than stop and think what they will want for the garden.
