

# WE'RE DYEING TO MEET YOU.

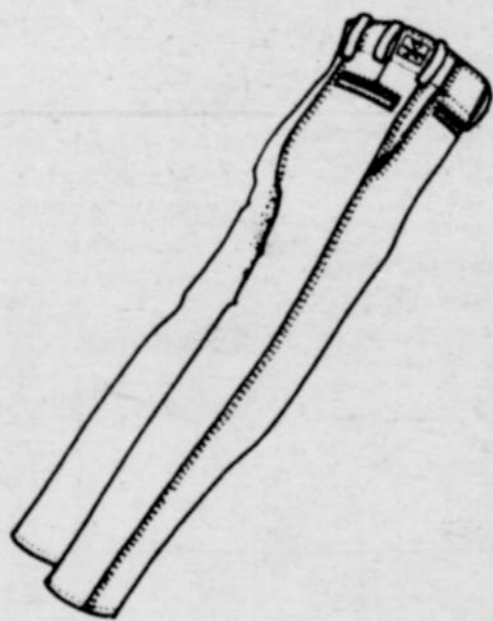

At Cotton D'Light we dye garments of 100% pure natural cotton into colors so beautiful you don't want to take them off:

**Brilliant Forest Green, Cobalt Blue, Deep Dark Maroon, Plum Violet, Midnight Black, Scarlet Red, Hot Pink, and Turquoise,** to name a few.

And the styles that we dye and manufacture will not only keep you warm for Fall and Winter, but fashionable as well. Mix these with the accessories and garments that we buy from other manufacturers, and you have a combination of coats, blazers, shirts, pants, sweaters, and skirts that can't be matched anywhere in the Northwest.

For one garment or a Whole wardrobe come see us. We're open **Monday through Saturday, 10-6 p.m.**, at **3556 S.E. Hawthorne, 231-1718.**
