"I advertise in *Just Out* because I think it's a good business decision. I know there is no better source to reach persons with alternative lifestyles than in the pages of *Just Out*.

"I especially admire the graphics. It's uncluttered. My ads don't get lost in the crowd the way they can in other publications. The layout and design in *Just Out* lets the aesthetics of the ads come through.

"I like the reasonable rates, and the people on the staff are great to work with. The service I get with *Just Out* is good, and that's uncommon."

Israel Hughes of Storefront Theatre
