This year's Lesbian and Gay Pride Committee has planned a march and rally that will be "Alive with Pride in '85" for Saturday, June 15th. Marchers will assemble in the North Park Blocks (Couch and Park, NW) and begin at 12:00 noon on a route down Stark Street, ending up at Tom McCall Waterfront Park, where the rally and celebration will begin at 1:00 PM. The rally will include speakers and entertainers, as well as booths providing information, T-shirts, food, and more.

This year's speakers include Valerie Terrigno, lesbian mayor of the newly created city of West Hollywood, California. Ms. Terrigno received the most votes in a field of 40 candidates and was chosen by her city council mate to be the first openly lesbian mayor of an American city.

The rally will truly be an entertainment event, with performances by the Portland Gay Men's Chorus, local folk rocker Kate Sullivan, and Romanovsky and Phillips, the accomplished musical/comedy do from San Francisco.

The focus of the Lesbian and Gay Pride

celebration is to bring attention to the tremendous variety of events, functions, and services available within our community. The month of June offers a cornucopia of special events, and efforts will be made to publicize regular weekly and monthly events as well. Special events in June include the march and rally, a 10th Anniversary Dignity Service, a Sternwheeler cruise, a Windfire benefit show at Darcelles, MCC's Father's Day Service with the Chorus, a Gay Day in the Park, the annual Stonewall Run, various forums, workshops, discussions, and receptions, and the traditional candlelight vigil. And on June 28th, the Portland Gay Men's Chorus will appear with the L.A. Chorus at the Arlene Schnitzer Concert Hall.

This year, the spirit of celebration and pride typically present at the march and rally promises to start early and last the whole month. Individuals or organizations wanting more information about events, booth rentals at the rally, float entries in the march, as well as those willing to volunteer as monitors should call Mark at 233-1169.

12:00 noon, March begins. Proceeds up to 13th St., across Burnside to Stark, down Stark to Tom McCall Park (Waterfront Park).

1:00 p.m., Rally begins.
