## ART

Would you like to join an **Art Association of Gay and Lesbian People**, involving: art appreciation, workshops, social get-togethers, lectures, etc. Perhaps, eventually, our own gallery? For further information, please call Allen, 642-2747 after 5 pm.

The **Augen Galleries, Inc.** is pleased to present the original monotypes, paintings and watercolors of **Royal Nebeker**, at 619 SW 10th.

A masterful colorist and an exuberant optimist, Nebeker paints with a welcome freshness and sureness. Nebeker's power resides primarily in his skilled handling of his materials, and his ability to imbue those materials with expression and motion. Nebeker uses thin transparent colorings and elongated, slender forms to provide a sort of stage for spirit. His work seems to say that reality lies in the realm of the spiritual... somewhere in the hidden parts of the mind and experience that now and then surface to the consciousness and enrich us with a magico-religious experience.

**Graystone Gallery**, 3279 S.E. Hawthorne Blvd., Portland, presents works by two local artists **Molly Blanding**, Ceramicist and **David Delamare**, painter/illustrator. A reception for the Artists will be held 5-8 pm, Thursday, May 1, 1986.
