County Commissioner **Gretchen Kafoury**, a long-time supporter of Lesbian/Gay Rights, and **Stevie Remington**, Executive Director of the American Civil Liberties Union (ACLU) will speak to the Lesbian Community and its friends at 8:00 p.m. at the Metropolitan Community Church (MCC). The evening, hosted by the **Lesbian Community Project**, will be devoted to discussion of the new Lesbian/Gay rights bill targeted for 1987.

Based on recent success in Wisconsin (the only state to have Lesbian/Gay civil

rights protection in employment, housing, and public accommodations), the ACLU is developing strategy for a similar victory here in Oregon.

Learn about the lobbying process and how a bill becomes law. What does an omnibus Lesbian/Gay rights bill really mean? How would it affect our lives? What are our chances? How can we get involved?

Come and listen to Commissioner Kafoury and Ms. Remington address these issues and dialogue with the Lesbian Community. There will be time for your questions.

Following the presentation will be an informal reception for Gretchen and Stevie. Refreshments and conversation will be served. Please plan to attend this exciting evening in conjunction with Lesbian/Gay Pride Week.
