Phoenix Rising is relocated to the historic Oregon Trail Building at Southwest 5th and Stark on April 25.

The newly-renovated professional office is bright, pleasant and just what gay people deserve — a proud and positive atmosphere.

As Oregon's only lesbian/gay service center, Phoenix Rising is wellness-oriented and provides professional counseling, education, social and growth programs, retreats, information and referrals.

Stop by and check it out. This space is for you.
