

**MESSAGE TO
THE PEOPLE OF OREGON
FROM
DR. LENORA B. FULANI,
INDEPENDENT CANDIDATE
FOR PRESIDENT
OF THE UNITED STATES**

Dr. Lenora Fulani.

On Saturday, June 18—directly following the Lesbian and Gay Pride March and Rally here in Portland—a public nominating convention will place my name on the Oregon State ballot as a Presidential candidate.

My independent campaign—a campaign which is a crusade for fair elections and democracy—is about giving all the people of this country a choice in November. I want to pay tribute to the lesbian and gay community here in Portland, which is stepping out to help lead the fight for fairness, inclusion and democracy by insisting that the independent voice has the right to be heard, and that all the people of Oregon have the right to vote for a pro-gay, pro-environmentalist, anti-corporate alternative to the candidates of the two major parties.

My campaign is bringing together a new alliance of Blacks, gays, Native Americans, women, environmentalists and peace activists in the struggle to create a human, democratic and healthful alternative to the bipartisan political monopoly.

The people of Oregon, like all Americans, have the right to know that there is such an alternative, and they must have the right to exercise the independent option if they wish to do so.

I invite all of you—gay and straight—to come out and support the Lesbian and Gay Pride March and Rally on Saturday, June 18 and to attend the nominating convention to place me on the Oregon ballot immediately afterwards. The convention will be held at 6 p.m. in Waterfront Park in the area of Morrison Street Bridge, by the Ship's Mast.
