JUST FRIENDS

SEEKING, THOUGH NOT DESPERATELY, a companion and lover. Like me he'll be a young man around 27. He'll be kind and idealistic, and, while intellectual, will neither think he knows all the answers nor that intellect alone ever could provide them. He'll be attracted by spirituality, but repelled by dogma. He'll have a reverence for the natural world and be devoted to its protection. His wit, though sharp, won't cut. He'll have a child's capacity for wonder and whimsy and an adult's for commitment and compromise. As for being gay, it will neither embarrass nor obsess him; he'll be resident of neither closet nor bar. He'll be cute, but no fop. He won't shop 'til he drops. He'll be slim, masculine, unaddicted, HIV negative. Reply Blind Box 349. (P.S. We need your address to forward your responses. — J.O.)
