

Are You Alone by Choice . . . or Lack of Choices?

ComQuest™
Computer Matching
Serving Gay Men Since 1982

"No matter who you are, there is someone for whom you are the perfect match."

- Meet compatible men matched to your preferences.
- Effective, nonexclusive . . . inexpensive (fees start at \$20).
- Assured confidentiality and discreet mailings.
- Two-way matching (matches are your type and you theirs).
- Satisfaction guaranteed (or your money back).

What is ComQuest?

ComQuest is gay America's new, safe way to meet compatible guys. ComQuest's computer-based matching system enables you to meet men from your area who match your preferences (and you theirs) for age, race, personality, lifestyle, physical attributes, interests, and local residence.

ComQuest began providing gay matching services in 1982 and now has over 6000 members in 60 major cities.

How does it work?

ComQuest's matching system, using advanced computer technology, analyzes your detailed questionnaire responses (see right side of page) and compares each of your weighted "ideal match" descriptive responses with the corresponding "self" descriptive responses of all current members, and vice versa, keeping track of the members having the highest matching scores.

What does it cost, and what do I get?

For \$20 you get the contact information for the 5 men who are your best matches among our current members in your area. (Add \$10 per additional set of 5.) Your contact information will be "listed" for three months (with free extensions) for other members to contact you (unless you leave Step 2 blank). You will know of these matches only when they contact you.

What if my matches don't work out?

ComQuest receives numerous letters from members who have found lovers or who are otherwise quite pleased with our service. However, if you are not satisfied, you will receive a prompt refund of your membership fee (you have 30 days to notify us and return your match printout).

How long will it take?

Most orders are filled within a week. If the difference between your postmark date and ours is more than 14 days, we will include an extra \$5.00 credit voucher with your order, applicable to future ComQuest orders. All correspondence from ComQuest will be mailed in plain envelopes.

OK, I'll try it. What do I do?

This is the hard part. But it can be fun, too. The questionnaire is on the righthand side of this page. Refer to the instructions to the right to complete Steps 3, 4, and 5. It is very important to read them carefully. If you do not follow the instructions we cannot guarantee the results. If you need help, call 1-708-991-0693 (9-5 CST, M-F). For additional application forms call 1-800-633-6969 (24 hours).

Send the completed form with \$20 (for 5 matches) or \$30 (for 10 matches) check, money order or credit card number to:

ComQuest, PO Box 1069, Palatine, IL 60078.

Questionnaire Instructions

Step 3 - Describe yourself by circling the word **me** beside each descriptive item which is a true description of yourself. You should circle at least one **me** under each category. Circle more than one **me** if appropriate.

Step 4 - Describe your ideal match by circling the word **veto**, **no**, **ok** or **yes** beside *each and every* item (including those by which you circled **me**) to indicate to what extent you would want that item to be true of your match. Circle *exactly one* of these responses per item, as described below:

Circle **yes** if you *want* that description to be true of your match. This is a *vote for* a trait—not a guarantee.

Circle **ok** if you *don't care* one way or the other. This is an *abstention*—no vote either way. Lines left blank are counted as **ok**.

Circle **no** if you *do not want* that description to be true of your match. This is a *vote against*—not a disqualification. Treat it as a "maybe."

Circle **veto** if you want *no matches* with anyone for whom that description is true, even if they have other desirable qualities. This is a *disqualification* and is not affected by category rank. Treat it as an absolute "no." We recommend that you circle between 10 and 20 vetoes to restrict age, race, residence, and other important traits of your matches.

Note: The use of vetoes restricts the number of members qualified to meet you. You are guaranteed the number of matches you order, but if you use too many vetoes you may get fewer matches than you ordered initially, in which case you will receive credit for the remaining matches. You can use the credit to alter your questionnaire and/or reorder matches anytime.

Step 5 - Rank the categories. The questionnaire is divided into 16 categories. To insure that your responses on the less important items won't override those on the more important items, you must indicate which categories are important to you. Using the blank to the left of each category heading, either . . .

Rank each category from 1 to 16 in its order of importance to you, with 1 as the most important and 16 as the least, using each rank once, or . . .

Put a check mark beside the *five* most important category headings, leaving the rest blank.

Note: Your matches will be based mostly upon the more important categories, with the less important ones serving only as tie breakers. Noes and yeses have very little effect in the lower ranked or unchecked categories. Some of your matches may have traits by which you circled **no**. However, vetoes are exclusive regardless of category rank.
