THE THIRTEENTH FAIRY:
Unconventional Spirits and
Alternative Relationships
July 13-15, 1990

The thirteenth fairy is the symbol of the unwitted
guest, the unwanted spirit, emotion or impulse
which threatens established conventions in
relationships. This weekend workshop in Process-
oriented Psychology will focus on new models of
relationships for couples, families, and friends. We
are specifically concerned with alternative
relationships and life styles, including lesbians,
gays, or those in relationships which cut across
racial, ethnic, cultural, age, or other boundaries.
For more information or registration, call 228-
0044 or 243-2143.

education. I prefer feminine women who are
emotionally single and healthy. Please be open
minded and flexible. Please don't be loud or
stubborn. Quality people with goals are welcome
