## What IS going on at *Just Out*!?

A dispute involving the past boardmembers, the publisher Reneé LaChance and the shareholders of the parent corporation Out Media, Inc. has arisen and a mediation session is scheduled for Dec. 1 for those involved. There are currently allegations of financial improprieties by Reneé LaChance which were previously addressed at a meeting in August 1989 and had been resolved to the satisfaction of the shareholders at that time.

*Just Out* has survived for seven years under various adverse conditions and will survive this one, too.

The shareholders continue to be supportive of *Just Out* and remain confident in Reneé LaChance as publisher.
