

If your bank has passed away, here's a thoughtful card.

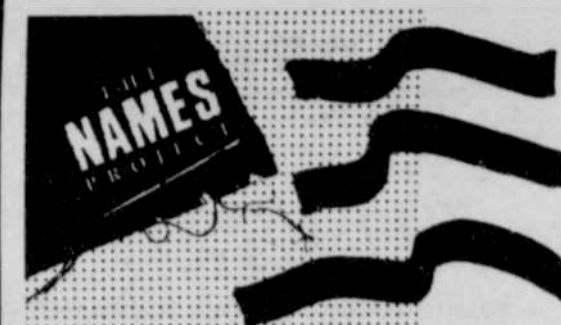

It's an ATM card from Washington Mutual—good at virtually every cash machine in the state. And it's just one reason to consider moving your account

here. We also offer free checking when you have any other account with us. Plus we'll be glad to handle all the details of transferring

your account. You see, as a local, *consumer* bank we concentrate on the needs of people, as opposed to big business. So if your bank has gone to that great vault in the sky, call 1-800-562-3565.

And merge with the friend of the family.* **Merge with Washington Mutual.**
